Welcome

Good morning, Baltimare!

Once again we convene in Charm City to participate in what has become our fandom's largest and most celebrated event: BronyCon. Fans from all reaches of the globe and all walks of life have come to celebrate their love of *My Little Pony: Friendship is Magic*. It is for you, these fans, that we work so hard every year to bring you the most exciting and memorable three days possible.

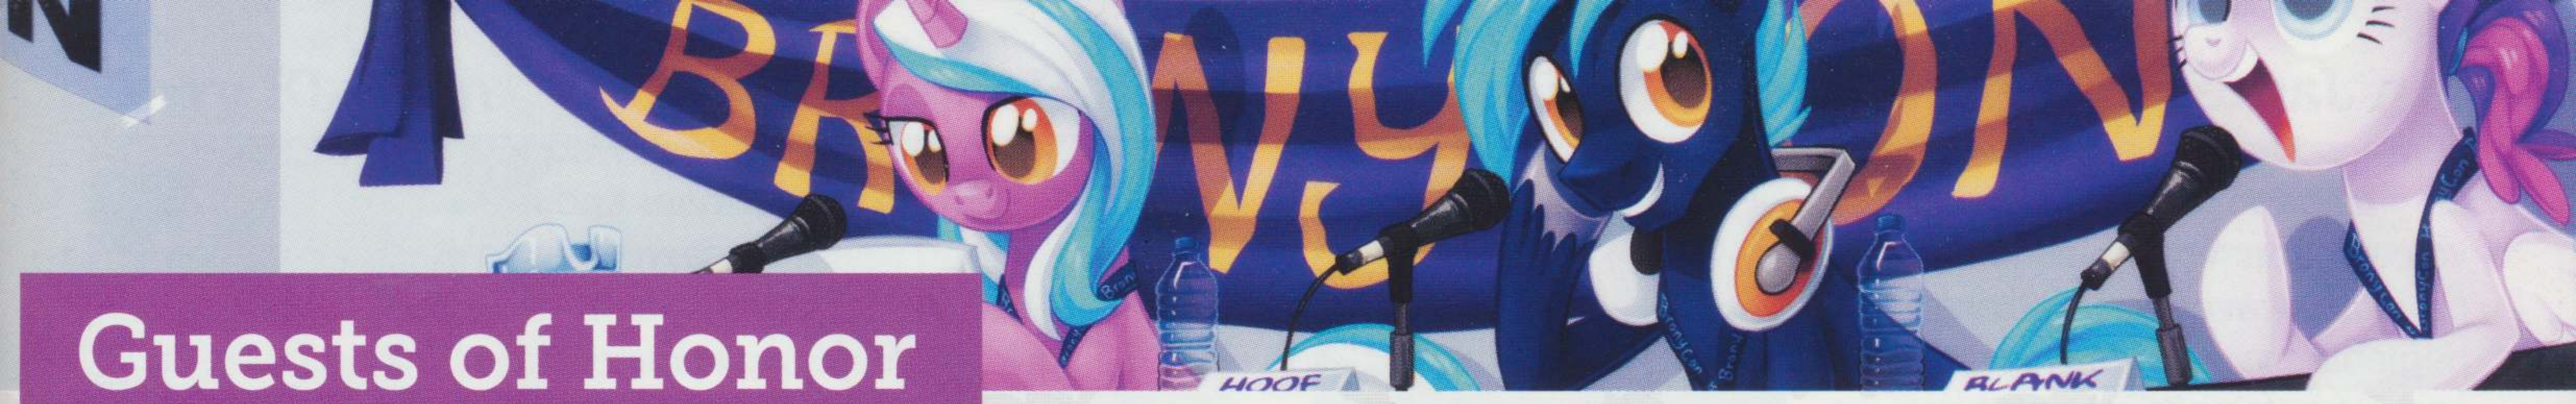

In 2013, BronyCon decided to put its roots down in Baltimore and at the Baltimore Convention Center in the hopes that it would grow and flourish. And grow we did, to unimaginable heights; it left us wondering if we would ever be able to top it. After nearly a year of planning and organizing, we are confident when we say that this year's BronyCon will be the best *My Little Pony* convention to date! From fanfiction authors to show writers, musicians to voice actors, fanart to storyboarding and anything and everything in between—BronyCon will have it all and maybe a few surprises up its sleeve!

To us, BronyCon is more than a family-friendly event: it is a family event—an annual family get-together. Whether this is your first BronyCon or fifth, we consider you to be part of our family. The people we meet, the moments we experience, and the memories we cherish and take home with us this weekend, we share together as a community and as a family. We hope that you walk away from this weekend with new friends, new experiences, and a new sense of wonder at what our community can accomplish when we all come together.

It is my sincere pleasure to be the first to welcome you not only to BronyCon 2014, but to the BronyCon family!

Josh Dean

Peter began acting with a sketch comedy troupe called "The Legend of Bonefish", who disbanded twenty years ago, although some of those old sketches have sprung up on YouTube, starring middle-aged versions of themselves. Weird. He has broad interests, from astronomy to photography, architecture to environment. He plays a little piano, a bit of guitar, some ukulele, and a passel of drums. One day he wants to cut a record. He enjoys cooking, but more than that, eating. Yummy.

Andy Price

Andy Price is an artist for the *My Little Pony: Friendship is Magic* comic series. Prior to his work for IDW, Price did illustrations on card sets for Rittenhouse/Marvel. Rebecca is currently the singing voice of Twilight Sparkle, as well as playing Sunset Shimmer in the feature *My Little Pony: Equestria Girls*.

Tabitha St. Germain

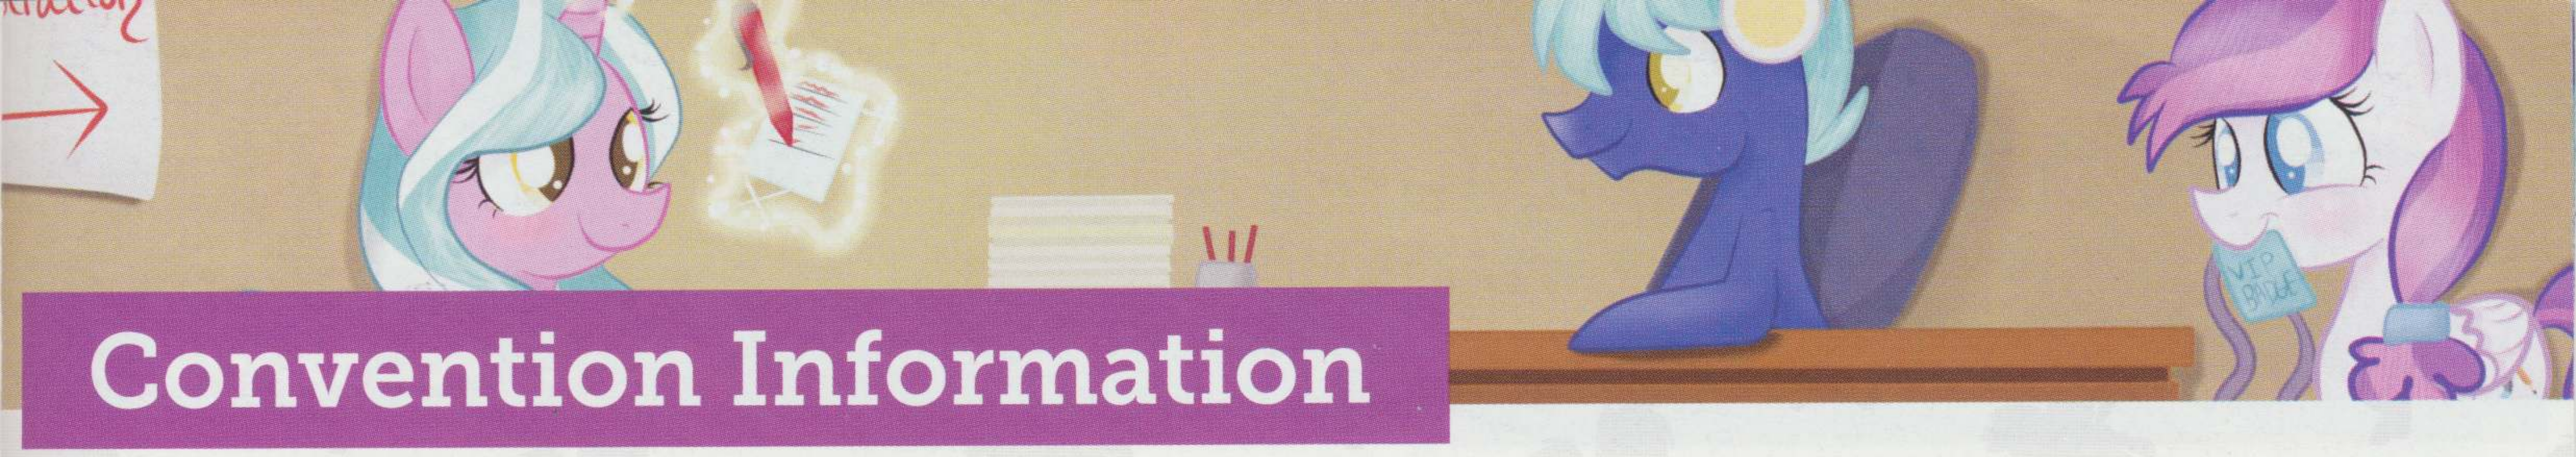

T. St. G., started her acting career at the age of 0.9, when an improbably collision cells resulted in a clotsome little singularity that squeaked. Radiation from the planet Ninc or "ninny rays," followed, giving us the T. St. G. of today, who is capable of being almost anything that doesn't involve math or common sense, for a union-approved fee. The T. St. G. singularity worked at the Keg Steakhouse in Halifax as an (appalling) hostess for about a month in the eighties and then took the next logical step and joined the theatre. She was the lead singer of the wildly forgettable band Mystery Diarrhea, who released many things, none of which was an album.

Asking personal questions will usually only bring forth a string of tatty fabrications from this monkey. "I'm not lying," she has said, "I'm ACTING." This is because, while she does have a rich inner life, her outer life is pretty much divided between mucking about in gardens and making noise.

She was hatched, not born, vaguely recalling siblings twittering about in a wasteland of cracked shells. It is possible that she ate them. She amuses herself by setting all the egg timers in Ikea to five minutes, and leaving.

Convention Rules

General Rules

BronyCon is a family-friendly convention—please help us keep it that way! We welcome fans of all ages and want to create a fun and safe weekend for everypony. In short, if you wouldn't see it in the show, don't bring it into the convention.

Respect your fellow congoers. Do not engage in any behavior that may threaten, harass or harm others. Ask permission first each time before taking pictures or touching other attendees, and respect that person's right to say no. If you are being harassed, threatened, or harmed (or see it happening to someone else), and you do not feel comfortable handling it yourself, please report it to our security staff as soon as you can.

What's illegal outside the convention is illegal inside the convention. Please don't steal, fight, use illegal drugs or do anything else that's illegal in Baltimore, Maryland, or the United States in general.

Follow convention center policies. Please don't sell things if you're not a vendor, sleep in public areas, or drink alcohol in the Baltimore Convention Center. Don't smoke (including e-cigarettes) inside or near the doors of the convention center, or while waiting in lines. If Convention Center staff asks you to stop doing something, stop doing it.

Obey all directions given to you by staff members. If you have a problem with a staff member, follow their directions first, then ask to see their supervisor.

Failure to obey these rules may result in consequences up to and including revocation of your badge and membership, ejection from the convention grounds, and involvement of the local authorities.

Prop and Costume Rules

We love to see our attendees dress up in all sorts of creative and interesting costumes! However, for safety's sake, we have some rules about what costumes and props are acceptable at BronyCon. When planning your costume, please keep the following rules in mind:

Decency and Appropriateness: Congoer attire must cover all areas normally covered by a swimsuit. Costumes and props must also be PG-rated. Hate speech is not permitted on attire or props in any language.

Costume Safety: Costumes must not be dangerous to anyone who bumps into them accidentally.

Volume: Costumes and props that make noise must have volume controls and should be kept at an appropriate volume. The owners of such props and costumes must turn down or mute the volume when asked to by staff.

Live Steel: Live steel props are any props crafted from metal with a pointed end or blade-like edge, whether blunt or sharp. All such objects are strictly prohibited in convention spaces. This rule does not apply to objects with only the appearance of metal, such as wooden swords wrapped in aluminum foil.

Weapons: Real weapons such as maces, axes, or batons must be tightly peacebound or otherwise disabled, and are not allowed if they cannot be disabled. Projectile weapons such as bows, slings, or crossbows must be disabled and unloaded. Bows must be unstrung or strung with a flimsy and loose material such as twine. No bolts or arrows may be carried as part of a costume unless they are fake, not fireable, and not sharp or dangerous.

Gun-like Props: Gun-like props are required to have orange tips. Airsoft guns must never be loaded and must be disabled, and no ammunition may be carried on the congoer carrying the airsoft.

Guns: Real firearms, even if disabled or unloaded, are strictly prohibited in all convention spaces. If you are an off-duty law enforcement officer carrying your sidearm through convention space, please come check in with Security when you enter the convention space so there are no unfortunate misunderstandings.

Any prop being used in an unsafe or threatening manner may be confiscated by Security. Security may ask you at any time to put a prop away or change out of a costume based on its acceptability. The Head of Security has the final say as to the acceptability of any prop or costume.

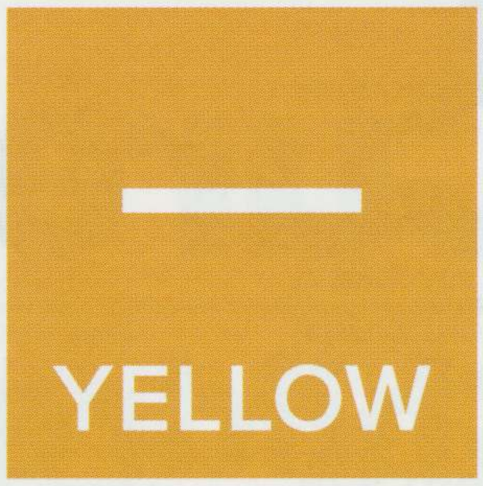

Color Communication Badges

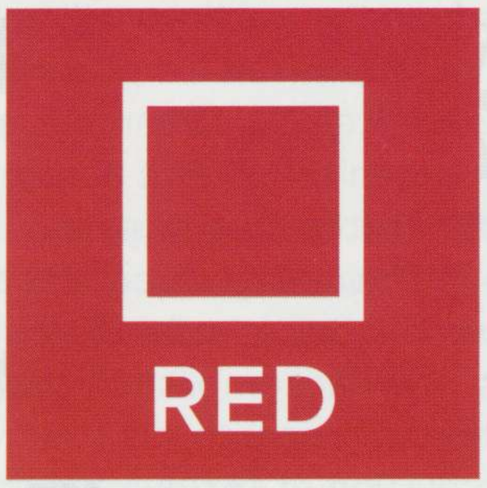

At BronyCon, we want to make sure everyone has an amazing and fun weekend, but we also know that it can be overwhelming to meet and be around so many people in such a small space. This year, we have color-coded badges available for people who want to express their communication preferences quickly and non-verbally, so it's easy to tell whether someone wants to be approached for conversations or not. These badges are available for everyone for free at the Special Needs desk in Registration.

"Come talk to me!" A person wearing a green badge is actively seeking interaction. They may have trouble initiating conversations, but it's okay to come up and start a conversation with them.

"Do I know you?" A yellow badge means its wearer only wants to talk to people they recognize. Unless you've met this person face-to-face before, don't start a conversation with them. If they start talking to you, you're welcome to talk back, though.

"Not right now." If a person has a red badge showing, they do not want to talk to anyone. They may approach others to talk, in which case it's okay to talk to them. But unless you've been told you're on someone's "red list", do not start interacting with them.

If you see someone wearing a yellow or red badge, please respect their wishes. If you are wearing such a badge and someone is harassing you by not respecting your preference, find a BronyCon staff member and we will help you out.

Autograph Policies

For many attendees, getting to meet our guests of honor is the highlight of the convention. In order to make sure that as many people can get autographs with our guests of honor as possible, please keep these rules in mind when getting something signed:

- One signature per autograph voucher.
- Vouchers are only valid for the signing time they are purchased during.
- Guests may decline to sign items.
- Photographs are at the discretion of the Guest of Honor.

In order to get an autograph, buy an autograph voucher outside of the Autograph Room (Rooms 301–303). Vouchers for autographs can be bought outside the autograph room for $20 and will go on sale 15 minutes before the start of each signing session. Attendees who are 13 and under are entitled to one free autograph voucher per VIP.

Heather Breckel, Katie Cook, Tony Fleecs, and Andy Price will be giving autographs at Booth 522 in the vendor hall when available. Vouchers will not be required.

Charity Efforts

Charity Auctions

BronyCon's primary charity efforts are the weekend-long silent auction and the live charity auction on Saturday afternoon. Stop by the auction display in Room 304 to browse the items and make a bid!

All profits from the auctions will be donated to the Baltimore-based CureSearch for Children's Cancer. CureSearch is a national non-profit organization that accelerates the cure for children's cancer by driving innovation, eliminating research barriers, and solving the field's most challenging problems. They accomplish this through a combination of research, clinical treatment, and the provision of social resources to families of children diagnosed with cancer.

CureSearch® for Children's Cancer

5K Run & Fun Walk

We've also teamed up with the Casey Cares Foundation, an organization dedicated to providing a personal touch of support to critically-ill children in Baltimore, to form a BronyCon team for the Baltimore Orioles 5k Run and 1-Mile Fun Walk! Come by and cheer on our your fellow bronies (including many BronyCon staff!) at Orioles Park on Saturday, August 2nd at 8 am as they run to fight cancer!

What Does Your "Favorite Pony" Choice Say About You?

Saturday, August 2, 5:30–6:30pm
Hall of the Moon
Psychology & Analysis

In this panel presentation the Brony Study researchers will answer two frequent questions we receive. The first has to do with the reason why adult male fans outnumber adult female fans by more than 5 to 1. We will explore differences in personality, functions met by the fandom (social, guidance, etc.), social (family) environment, and reactions to stereotypes. The second question concerns the factors that help to determine a fan's choice of favorite pony. We will present some new (just analyzed) data which show how this choice may be influenced by a fan's level of identity formation, the function the fandom serves in the fan's life, and where they find "meaning" in life.
