Good Morning, Baltimare!

Three simple words have never brought us more joy, and never have they had more meaning. It is an exclamation of our love for this wonderful city and, come what may, we will continue to share that love with all of you. But more than that, it marks the start of an indescribable three days filled with laughter, joy, and adventure, during this one-of-a-kind occasion we only get to partake in once a year.

What makes BronyCon such an indescribable event is passion. Your love for *My Little Pony: Friendship is Magic*, the community, and each other inspires us to work hard to ensure that each BronyCon is even better than the last. We are confident in saying that BronyCon 2015 will be the best *My Little Pony* convention yet! Be it music, writing, art, voice acting, games or just having fun, fun, fun—BronyCon has it all and more.

Whether this is your first BronyCon or you are a veteran of our event, we urge you to see and do as much as you can. Catch up with old friends and make new ones too. Go to panels, try activities, party, perform, laugh with friends, sing, and shake the very foundation of the Baltimore Convention Center at BronyPalooza. Take part in the old things and the new, and help make this BronyCon the most memorable one yet.

So once more, it is our pleasure to be the first to say to you: Good morning, Baltimare, and welcome to BronyCon 2015!

General Rules

BronyCon is a family-friendly convention—please help us keep it that way! We welcome fans of all ages and want to create a fun and safe weekend for everypony. In short, if you wouldn't see it in the show, don't bring it into the convention.

Respect your fellow congoers.

Do not engage in any behavior that may threaten, harass or harm others. Ask permission first each time before taking pictures or touching other attendees, and respect that person's right to say no. If you are being harassed, threatened, or harmed (or see it happening to someone else), and you do not feel comfortable handling it yourself, please report it to our security staff as soon as you can.

What's illegal outside the convention is illegal inside the convention.

Please don't steal, fight, use illegal drugs or do anything else that's illegal in Baltimore, Maryland, or the United States in general.

Follow convention center policies.

Please don't sleep in public areas, sell things if you're not a vendor, or drink alcohol in the Baltimore Convention Center. Don't smoke (including e-cigarettes) inside or near the doors of the convention center, or while waiting in lines. If Convention Center staff asks you to stop doing something, stop doing it.

Obey all directions given to you by staff members.

If you have a problem with a staff member, follow their directions first, then ask to see their supervisor.

Failure to obey these rules may result in consequences up to and including revocation of your badge and membership, ejection from the convention grounds, and involvement of the local authorities.

Costume Rules

We love to see our attendees dress up in all sorts of creative and interesting costumes! However, for safety's sake, when planning your costume, please keep the following rules in mind:

Decency and Appropriateness

Congoer attire must cover all areas normally covered by a swimsuit. Costumes and props must also be PG-rated. Hate speech is not permitted on attire or props in any language.

Costume Safety

Costumes must not be dangerous to anyone who bumps into them accidentally. Costumes and props that pose an indoor safety hazard to their owners, such as stilts, roller blades, or party cannons, are also not allowed.

Noise Volume

Costumes and props that make noise must have volume controls and should be kept at an appropriate volume. The owners of such props and costumes must turn down or mute the volume when asked to by staff. Bass cannons are not allowed at BronyCon.

Live Steel

Live steel props are any props crafted from metal with a pointed end or blade-like edge, whether blunt or sharp. All such objects are strictly prohibited in convention spaces. This rule does not apply to objects with only the appearance of metal, such as wooden swords wrapped in aluminium foil.

Weapons

Real weapons such as maces, axes, or batons must be tightly peacebound or otherwise disabled, and are not allowed if they cannot be disabled. Projectile weapons such as bows, slings, or crossbows must be disabled and unloaded. Bows must be unstrung or strung with a flimsy and loose material such as twine. No bolts or arrows may be carried as part of a costume unless they are fake, not fireable, and not sharp or dangerous.

Guns / Gun-like Props

Gun-like props are required to have orange tips. Airsoft guns must never be loaded and must be disabled, and no ammunition may be carried on the congoer carrying the airsoft. Real firearms, even if disabled or unloaded, are strictly prohibited in all convention spaces. If you are an off-duty law enforcement officer carrying your sidearm through convention space, please come check in with Security when you enter the convention space so there are no unfortunate misunderstandings.

Any prop being used in an unsafe or threatening manner may be confiscated by Security. Security may ask you at any time to put a prop away or change out of a costume based on its acceptability. The Manager on Duty of Security has the final say as to the acceptability of any prop or costume.

Color Communication Cards

At BronyCon, we know that it can be overwhelming to meet and be around so many people in such a small space. The Color Communication Cards you received at Registration allow you to express your communication preferences to others quickly and non-verbally. **If you are wearing a red or yellow card and someone is harassing you by not respecting your preference, please find a BronyCon staff member to help you.**

"Come talk to me!" A person wearing a green card is actively seeking interaction. They may have trouble initiating conversations, so feel free to strike up a chat.

"Do I know you?" A yellow card means its wearer only wants to talk to people they recognize. Unless you've met this person face-to-face before or they initiate conversation with you directly, be respectful and don't try to start a conversation with them.

"Not right now." If a person has a red card, they do not want to talk. Unless they initiate conversation with you directly, please be respectful and do not start interacting with them.

Anti-Harassment Policy

If someone's behavior makes you feel unwelcome, unsafe, or uncomfortable, that is harassment.

BronyCon does not allow harassment of any kind, including but not limited to behaviors such as: stalking, offensive comments, hate speech, bathroom policing, inappropriate or unwelcome physical contact, recording or taking pictures without permission, and repeatedly disrupting conversations you have been asked to leave. The aforementioned comments or hate speech could be in relation to: age, race or ethnicity, color, citizenship or national origin, relationship status, sexual orientation, gender identity or presentation, appearance, clothing, body size, pregnancy, disability, or religion. This list is not an exhaustive list.

Keep your hands to yourself. Respect your fellow attendees. Keep an eye on what you say to people and how you act around them. Take notice of people's preferences as displayed on Color Communication Cards. Remember, cosplay is not consent: just because someone is in costume, it doesn't give you permission to take a picture or touch their costume. Ask first, and if they tell you no, respect that.

If you feel harassed or see someone else being harassed, notify a staff member immediately. You are also within your rights to ask the harasser to stop on your own. Once notified, BronyCon staff will take any action necessary to stop the behavior, up to and including badge revocation and expulsion from convention premises. We will also take steps to help you feel safe again at your request, such as escorting you to a place you feel safe, contacting your friends or family for you, or contacting Baltimore police.

This policy applies without exception to everyone at the convention, including attendees, panelists, vendors, guests, convention staff, and venue staff.

Want to help out?

Gophers are generous attendees who volunteer their time to provide basic help to other departments on call. If you work enough you can even get a refund on your badge! To learn more about Gophers or to sign up, drop by the Gopher Hole in Room 333, open from 8am to 2am during the convention.

Charity Auctions

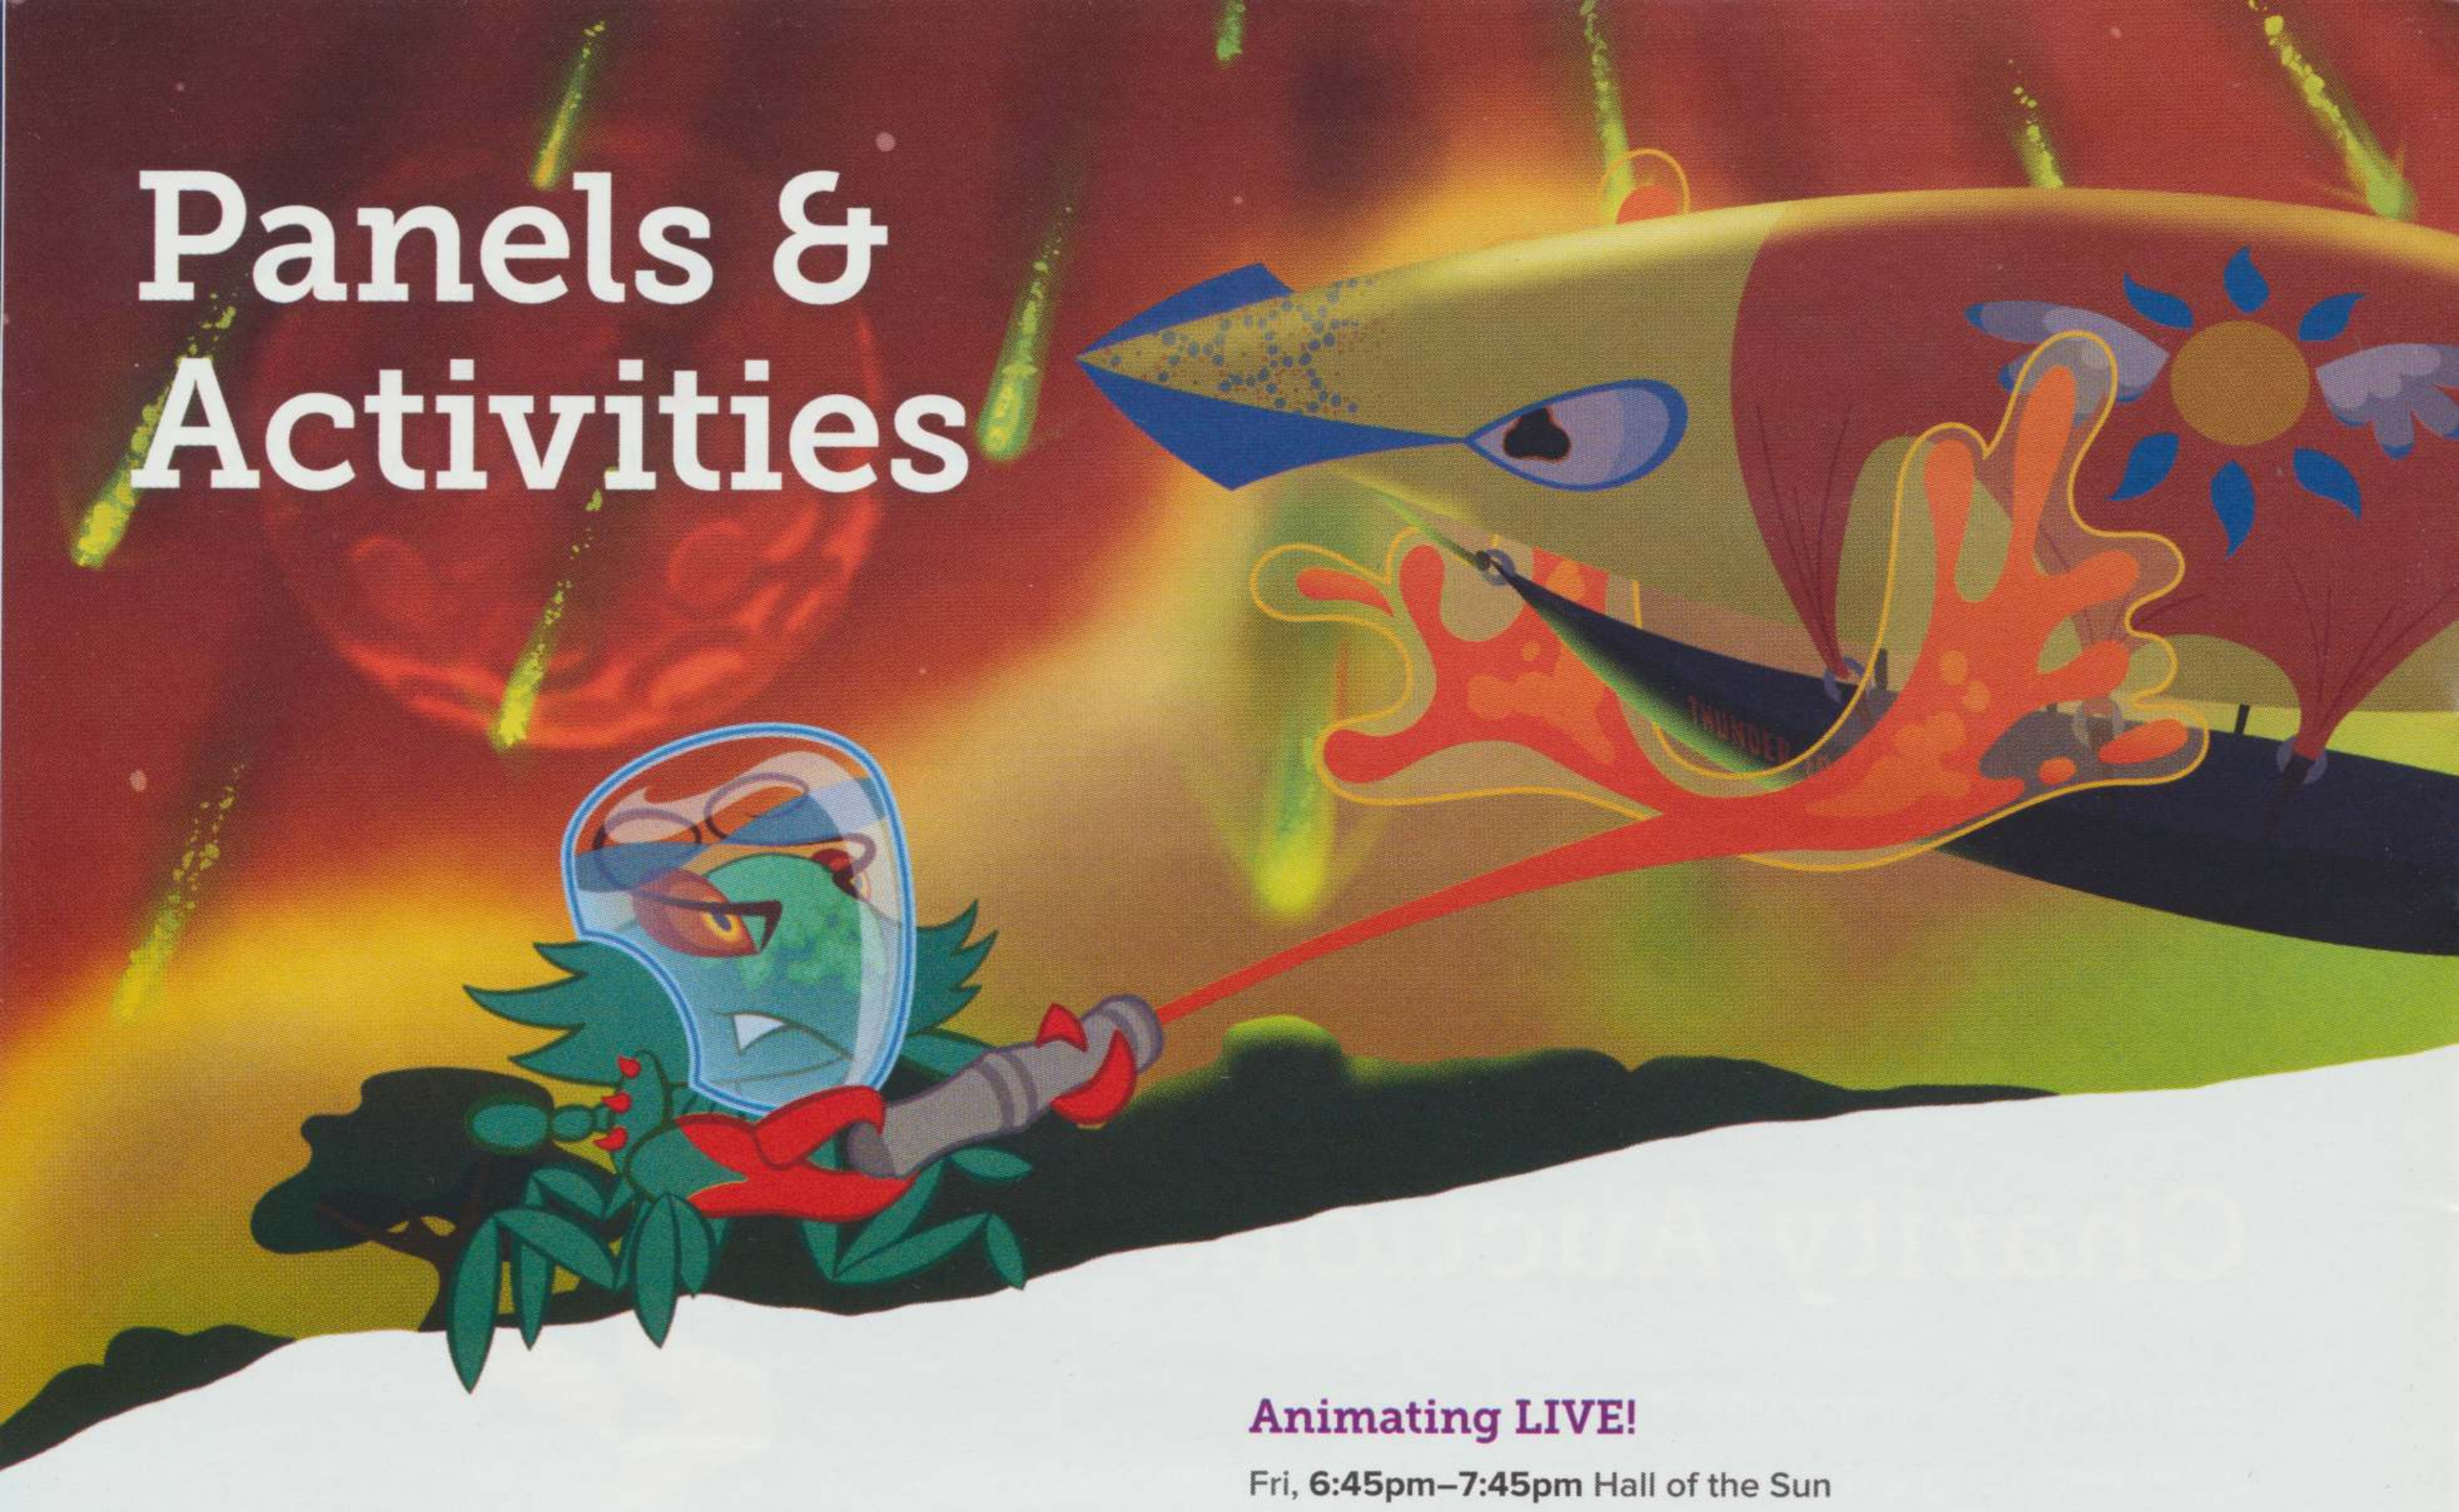

BronyCon's primary charity efforts are the weekend-long silent auction and the live charity auction on Saturday afternoon. Stop by the auction display in the Pratt Street Lobby on Level 300 to browse the items and make a bid!
