Welcome to BronyCon 2018!

If you had told us way back in Season one that this wonderful train of friendship, adventure, and magic would still be running almost eight years later, we would never have believed it, would you?

Over the past eight years we've had the joy of witnessing the fandom blossom from into something that has touched innumerable lives. If you are here with us this weekend, you're a part of that. You are part of a community that has helped create lifelong friendships, done good in countless ways, and maybe even made a certain toy company a few dollars too. BronyCon is proud to be a part of this community and we are so excited to welcome all of you, once again, to Baltimore, to take part in honoring the bonds of friendship you've built. This weekend, celebrate with friends new and old. Explore, laugh, learn, and most importantly—have fun!
Thank you all!

Color Communication Cards

At BronyCon, we know that it can be overwhelming to meet and be around so many people in such a small space. The Color Communication Cards you received at Registration allow you to express your communication preferences to others quickly and non-verbally. **If you are wearing a red or yellow card and someone is harassing you by not respecting your preference, please find a BronyCon staff member to help you.**

"Come talk to me!" A person wearing a green card is actively seeking interaction. They may have trouble initiating conversations, so feel free to strike up a chat.

"Do I know you?" A yellow card means its wearer only wants to talk to people they recognize. Unless you've met this person face-to-face before or they initiate conversation with you directly, be respectful and don't try to start a conversation with them.

"Not right now." If a person has a red card, they do not want to talk. Unless they initiate conversation with you directly, please be respectful and do not start interacting with them.

Anti-Harassment Policy

If someone's behavior makes you feel unwelcome, unsafe, or uncomfortable, that is harassment.

BronyCon does not allow harassment of any kind, including but not limited to behaviors such as: stalking, offensive comments, hate speech, bathroom policing, inappropriate or unwelcome physical contact, recording or taking pictures without permission, and repeatedly disrupting conversations you have been asked to leave. The aforementioned comments or hate speech could be in relation to: age, race or ethnicity, color, citizenship or national origin, relationship status, sexual orientation, gender identity or presentation, appearance, clothing, body size, pregnancy, disability, or religion. This list is not an exhaustive list.

Keep your hands to yourself. Respect your fellow attendees. Keep an eye on what you say to people and how you act around them. Take notice of people's preferences as displayed on color communication badges. Remember, cosplay is not consent: just because someone is in costume, it doesn't give you permission to take a picture or touch their costume. Ask first, and if they tell you no, respect that.

If you feel harassed or see someone else being harassed, notify a staff member immediately. You are also within your rights to ask the harasser to stop on your own. Once notified, BronyCon staff will take any action necessary to stop the behavior, up to and including badge revocation and expulsion from convention premises. We will also take steps to help you feel safe again at your request, such as escorting you to a place you feel safe, contacting your friends or family for you, or contacting Baltimore police.

This policy applies without exception to everyone at the convention, including attendees, panelists, vendors, guests, convention staff, and venue staff.

General Rules

BronyCon is a family-friendly convention. Please help us keep it that way! We welcome fans of all ages and want to create a fun and safe weekend for everypony. In short, if you wouldn't see it in the show, don't bring it into the convention.

Respect your fellow attendees.

Do not engage in any behavior that may threaten, harass, or harm others. Ask permission first each time before taking pictures or touching other attendees, and respect that person's right to say no. If you are being harassed, threatened, or harmed (or see it happening to someone else), and you do not feel comfortable handling it yourself, please report it to our security staff as soon as you can.

What's illegal outside the convention is illegal inside the convention.

Please don't steal, fight, use illegal drugs or do anything else that's illegal in Baltimore, Maryland, or the United States in general.

Follow convention center policies.

Please don't sell things if you're not a vendor, sleep in public areas, or drink alcohol in the Baltimore Convention Center. Don't smoke (including e-cigarettes) inside or near the doors of the convention center, or while waiting in lines. If convention center staff asks you to stop doing something, stop doing it.

Obey all directions given to you by staff members.

If you have a problem with a staff member, follow their directions first, then ask to see their supervisor.

Failure to obey these rules may result in consequences up to and including revocation of your badge and membership, ejection from the convention grounds, and involvement of local authorities.

Costume Rules

We love to see our attendees dress up in all sorts of creative and interesting costumes! For safety's sake, please keep the following rules in mind when planning your costume:

Decency and Appropriateness

Attendee attire must cover all areas normally covered by a swimsuit. Costumes and props must also be PG-rated. Hate speech is not permitted on attire or props in any language.

Costume Safety

Costumes must not be dangerous to anyone who bumps into them accidentally. Costumes and props that pose an indoor safety hazard to their owners, such as stilts, roller blades, or party cannons, are also not allowed.

Volume

Costumes and props that make noise must have volume controls and should be kept at an appropriate volume. The owners of such props and costumes must turn down or mute the volume when asked to by Security. Bass cannons are not allowed at BronyCon.

Live Steel

Live steel props are any props crafted from metal with a pointed end or blade-like edge, whether blunt or sharp. All such objects are strictly prohibited in convention spaces. This rule does not apply to objects with only the appearance of metal, such as wooden swords wrapped in aluminum foil.

Weapons

Projectile weapons such as bows, slings, or crossbows must be disabled and unloaded. Bows must be unstrung or strung with a flimsy and loose material such as twine. No bolts or arrows may be carried as part of a costume unless they are fake, not fireable, and not sharp or dangerous.

Guns / Gun-Like Props

Baltimore law prohibits all props that can reasonably be perceived to be a real firearm. Gun-like props must have an orange tip as part of its construction when manufactured (you cannot apply orange tape or paint to props that you did not construct yourself e.g. out of Styrofoam). Real firearms, including airsoft guns, are never allowed in convention space, disabled, unloaded, or otherwise. No ammunition of any kind may be carried. Toy guns (such as NERF) must be unloaded with magazines removed except during photos. Avoid gun-like props with realistic color schemes. If you are an off-duty law enforcement officer carrying your sidearm, please see the Head of Security when you enter the convention space.

Security may confiscate any prop used in an unsafe or threatening manner, and may ask you at any time to put a prop away or change out of a costume based on its acceptability. The Manager on Duty of Security has the final say as to the acceptability of any prop or costume.
