Welcome

Hello Fillies and Gentlecolts!

Is it November already? It seems just like it was yesterday that I was laying on the couch to relax and repair myself from viking pillaging and drinking out of horns... But it doesn't do well to dwell on the past, because there is plenty of work to do! This time we don't look at history, but towards the future and the stars!

While some things change other things stay the same, for example we have exciting new events and panels going on, but we still have gathered in the cosy Hilton in Glasgow.

As the saying goes; "it takes a village" and our convention is nothing short of it! With a big list of volunteers, staff, vendors and of course, you the attendees we are proud to announce BronyScot 2017!

Rules

As is standard for conventions, we need to include a list of rules to keep everyone safe and happy, BronyScot is no exception.

-Assault, harassment, bullying and general nastiness is unwanted and allegations will be dealt with seriously by our staff.

-BronyScot is an event for all ages, please behave with consideration for others.

-If you are caught damaging the venue or any equipment you will be asked to leave and will be held liable for any costs incurred.

What's On?

Event Descriptions

Opening Ceremony (10:30am-11am)

The one, the only, the amazing opening ceremony! Take a seat as we kick off the convention with a warm welcome and a simple introduction to Bronyscot!

Circle of Friendship (10:45am-11:45am)

New to the bronies? Or just looking to meet new friends? Everyone is welcome to the circle of friendship where we get a meet and greet with our most favorite guest: you!

Importance of Staying Creative (With Mad Munchkin, 11am-12pm)

Join in with Mad Munchkin as she talks about how creativity can be beneficial and therapeutic in everyday life. She will also take some time to tell about who has inspired her the most and of course answer some questions from the audience.

Tails of Equestria (11am-1pm)

Will you be a dynamic adventurer like Daring Do or a stylish diva like Rarity? Tails of Equestria allows you to create, name and play as your very own pony character to solve puzzles and explore dungeons.

This is a D&D style game.

Speed Drawing Competition (12pm-1pm)

Grab a pencil and join us for a round of speed drawing!
Who knows what the group will produce?

Rarity Belle's Writing Panel (12:15pm-1:15pm)

Inspiration is an author's greatest asset, but where does it come from? How does a simple idea turn into a story of epic proportions? Rarity Belle will tell you about its possible sources. He'll also explain how to keep the fires burning to write a story. Inspiration does become the coal for a story to carry on after all.

PABS (12:15pm-1:15pm)

See the world of Fallout Equestria brought to life in Source Filmmaker. With animation, art, music and voice acting, this is quite the extensive project!

Board Games - Including CCG Demos and Casual Play (1:15pm-6pm)

Workshop with Vocal Score (1:30pm-2:30pm)

Talented performer Vocal Score is here to show you how he arranges his song covers, taking questions, and you may hear a song or two!

Pony Pursuit Building (1:45pm-2:45pm)

How to make a mascot-style pony costume for around £50...

...Inside 12 hours of work? It is possible. Hypnohooves will show you how to do it without needing sewing skills.

Mind's Eye to Motion: How Animations Get Made (with CaptainHoers) (2:45pm-3:45pm)

CaptainHoers, noted internet horse animation smarty pants, presents the process of producing animated videos, from honing in on an idea to the trenches of onion skinning and tweens, to the frantic finishing touches. If you want to get into animation, or you just want to see how these multimedia marvels get made, you should enjoy this.

Fuzzy's Fanfiction Workshop (2:45pm-3:45pm)

Everyone has at least one great story inside them, but it's not easy to get started! Come by the fanfiction workshop, where Fuzzy will offer all the help needed to get into writing, and host the undoubtedly entertaining 'audience story brainstorm'. You can even participate in a flash fic competition!

Manic Sculptor's Modelling (3:15pm-4:15pm)

Join the Manic Sculptor and find out how to make custom pony figurines!

Cosplay Contest and Award Ceremony (4:15pm-5:45pm)

Watch in awe at the great and powerful cosplayers! Join us as they give their performance, show off their costumes and bring in the gold!

Brony Appreciation Society (4:30pm-5:30pm)

During this panel we'll talk about one very big item that without BronyScot could not exist: Bronies! In an hour everyone can get a turn at the microphone to share their stories about the fandom.

Skype Call with Kelly Sheridan (6pm-7pm)

This year we have a Skype call with the fantastic Kelly Sheridan! Ask her all your burning questions and get an idea what it's like to voice Starlight Glimmer.

My Little Karaoke (11am-6pm)

Sing along with all the classics and the not so classics in everyone's favorite pony game!

Closing Ceremony (9pm-9:30pm)

All good things must come to an end and unfortunately, so must Bronyscot. But the party is not over yet, as we give one last hurrah at the closing ceremony!

Pub Quiz (9pm-10pm)

Charity Auction

7pm-9pm

Just like every year, Bronyscot is raising money for charity with an amazing auction! Bring good spirits and your wallets for a chance of getting a cool and/or limited item! This year the raised money will go to:

SCOTTISH SPCA

Scotland's Animal Welfare Charity

"We rescue animals and nurse them back to health before finding them loving new homes or releasing them back into the wild.

Investigating abuse across Scotland, we're proud to be at the forefront of preventing cruelty to animals. As the only animal charity in the UK recognised as a reporting agency to the Crown Office, our inspectors enforce the Animal Health and Welfare (Scotland) Act 2006.

Demand for our services is at an all-time high. Last year our animal helpline received almost a quarter of a million calls, our inspectorate attended more than 85,000 incidents and more than 20,000 animals were cared for across our nine animal and rescue and rehoming centres and our national wildlife rescue centre.

We are committed to supporting the welfare of all animals - domestic, farm and wildlife - and are continually deepening our welfare expertise through our ground breaking work and research with partners.

Donations are vital because we receive no government or lottery funding."
