

2013 Programme Booklet

Better from the Chairs

Howdy bronies!

It's amazing to see this convention come to fruition. When I took over the reins of this project with Kelvin Pang, I had no idea what to expect. I feel lucky however, finding a group of dedicated and talented staffers. With my leadership, and Kelvin's excellent management, the event began taking proper shape in just a few months. We are also grateful to an amazing community of bronies, who consistently aided us through campaigns, donations, and spreading the word. It is thanks to dedication of this staff, and the support of this community, that we are able to present this programme. I am sure this will be one of many more conventions, for bronies, by bronies, and I couldn't be happier. Thank you for joining us for CANterlot 2013! Enjoy the convention!
