Our Pony Tale

Since 2013, Crystal Mountain Pony Con has been the annual "Salt Lick" City event for Bronies (fans of My Little Pony: Friendship is Magic). In 2014, Shane Gray and Julie Johnson lead the yearly gathering; Aaron Crandall, David Halliday, and others brought more support soon after.

Every year, CMPC proudly hosts a platform for content-creating community guests to showcase their talents and meet their fans. This year, CMPC 2016 boasts double the floor space and activity programming, 30+ community guests, and three special guests from My Little Pony: Friendship is Magic!

None of this would be possible without the generous professional and financial support from our fans and volunteers. We thank you for keeping the pony tradition strong and hope you enjoy Crystal Mountain Pony Con 2016!

Charity Auction

The items for the charity auction were donated by friends, vendors, and associates of CMPC. The auction will be traditionally run, with bidding increments being no less than $1. A raised hand will assume the asking price, unless otherwise vocalized. Bidders may use cash or a credit/debit card to pay for their winnings (sales tax of 6.85% will be added to electronic payment methods). CMPC and the charitable cause will split the auction winnings (50/50). CMPC will use their winnings to help fund next year's con.

This year CMPC 2016 will be sponsoring a special member of the Utah Brony community. They are suffering from excessive debt due to their medical condition and treatments. The recipient of the funds has asked that we not share their name, nor specifics about their medical condition or finances. They will have the sole discretion of sharing this information post-auction.

If you are not interested in participating in the auction, CMPC will also have charitable causes out in the hallway, retaining 100% of whatever they collect for their organization.
