

Crystal Mountain Pony Con

2017

Welcome!

Since 2013, Crystal Mountain Pony Con has been the annual “Salt Lick” City event for fans of My Little Pony: Friendship is Magic. In 2014, Julie Johnson (President) and others led the yearly gathering. David Halliday (Vice President) joined the crew in 2015, pushing for the con’s expansion and notoriety within the fandom. Scott Kinnersley (Treasurer) led the way for bringing the first My Little Pony show guests and laid the crucial groundwork for obtaining our official non-profit status* in 2016.

Every year, CMPC proudly hosts a platform for content-creating community guests to showcase their talents and meet their fans. Compared to last year, CMPC 2017 boasts more than double the floor space, resulting in double the amount of vendors and 33% more panels and activities. We are joined by 30+ community guests and four special guests from the My Little Pony: Friendship is Magic franchise!

None of this would be possible without the generous professional and financial support from our fans and volunteers. We thank you for keeping the pony tradition strong and hope you enjoy our fifth annual event: Crystal Mountain Pony Con 2017!

*Crystal Mountain Pony Con (CMPC) and its intellectual properties are the official property of Crystal Faire Productions (CFP). CFP is a 501(c)(3) non-profit corporation, which promotes the arts and culture of cartoon animation.
