

Czequestria

2015

So it begins...

One does not realise how short a year can be until you throw yourself at organizing something as complex as con is! Then the time truly becomes a relative thing, at times flowing just too fast for your taste and at times you wish it would just get on! Like this text!

Last year we've reached various records and milestones in history of our fandom and of this country. This year we are going for a brand new level and we sincerely hope we'll outmatch our previous convention! We certainly put all of our hearts, minds and souls into the preparations!

Therefore, please welcome to Czequestria - our little piece of Equestria, a gate to a world where our favourite colourful equines reside and enjoy many adventures! Leave your worries and troubles behind the door for here we are all to enjoy the spirit of Friendship & Fun!

This wouldn't be possible without so many generous spirits, be it among the visitors, volunteers & staff as well as guests themselves! Without you, this community would not be the same so sincere Thank You for helping us realise these ideas and dreams into reality!

See you around at Czequestria 2015!
-Czequestria Team

Sincere thanks to all of our supporters who helped us turn Czequestria 2015 into a reality:

Keep calm with rules

Even in the wonderful land of Czequestria we have to set some rules so that all of us can enjoy it to the max! So please bear with us and keep calm & cool whenever possible - we're here to help, not trouble you!

>>> For full extent of the rules, please visit:

<https://www.czequestria.cz/rules/> (English)

<https://www.czequestria.cz/pravidla/> (Czech)

Please wear the ticket (badge) visibly, thanks!

CZ/SK bronies z.s., Czequestria or any of its staff cannot be held responsible for the behavior and actions of visitors that are inside the convention grounds nor for any injuries or damages caused. Attendees under 12 years of age must be accompanied by a parent/guardian.

Czequestria is a "family-friendly" convention – therefore no sexual, political, or otherwise inappropriate content should be displayed or featured. Breaking this rule will get you a swift ride out of con. grounds and ticket removal without refund!

It's forbidden to connect any electronic devices to power sockets without further consultation and permission from the staff.

Please behave in good manner towards the attendees, staff and guests – explaining a problem in calm matter will get you further than shouting!

Emergency exits must not be obstructed at any time. During an emergency, please do as instructed by staff and clear out the way for emergency services. In case of fire, please let the staff and, if present already, fire services by shouting "FIRE". Do as instructed by the emergency services and don't try to take on the fire on your own.

All lethal and nonlethal weapons are forbidden. This also applies to pocket knives, airsoft, paintball and laser guns or anything explosive.

Violating these rules may get you expelled from the convention grounds without a chance for refund or re-entry. Staff's rulling is always supreme in any case.

Do not bring your own food/drink in - except for home-baked muffins, cupcakes for showcasing. Water bottles are fine too!

Everybody and everypony is responsible for their own stuff.

Guests of Honour

Josh Haber

Josh is an episode scriptwriter and has joined the MLP: FiM production team during the 4th season and continued on throughout the Equestria Girls: Rainbow Rocks to Season 5! His work includes episodes such as Castle Mane-ia, Simple Ways and Leap of Faith as well as the season 5 episode Bloom and Gloom. As mentioned before, you can also find his work in mini episodes for EqG: Rainbow Rocks – namely Hamstocalypse Now and Pinkie on the One. We hope to see more of his work in the future! He is also a very cool and generous person, yay /) !

Helena Brabcová

Giving her voice to Applejack, she is the first representant of the Czech voice actors in MLP:FiM who ever met bronies in person! She sure is a hardworking pony with many talents - singing, playing in theatre as well as in TV series and films - all of it is her cup of tea! Still, it's her voice she is the most famous for: she gave her voice to Lieutenant Uhura (STAR TREK), Charlotte Lewis (LOST) and many others!

Bibiana Ondrejková

Our very first VA guest from Slovakia, known to bronies for giving her voice to Applejack! She has found many ways to be famous at: theatre plays in Bratislava, TV and radio performances. She also uses her talents to inspire and teach the next generation of actors at Conservatory in Bratislava. She lends her voice to many foreign actors in Slovakian media:

Phoebe (FRIENDS), Rebecca (NIGHT AT MUSEUM) and many others! Besides the art she also participated in charity & social activities.

Guests of Honour

Pony Berserker

Pony Berserker brings pony art & entertainment to a whole new level through his comics! Surprising twists, satirical points of view and unusual encounters are just a few of many events that you can encounter in his works. Are you an aspiring comics artist and would like to know more about the process of drafting and finalizing one? Then make sure to not to miss his panel!

Overmare Studios

The Overmare Studios are known for their highly anticipated project called *Fallout: Equestria, The Game*. Based on the famous fan fiction series it sure is exciting for us and many of their fans to have them at Czequestria once again! We're very happy to announce that Adam Sporka (music lead), IvoryKeysADSR (music composer) and Hamish Milne (director, programming lead) will be present to satisfy your thirst for information as well as to answer your questions and introduce the game to the general audience!

Stable-Tec Studios

Stable-Tec Studios is an international multi-media production effort, comprised of fans of *My Little Pony: Friendship Is Magic* and the fans of *Fallout* game franchise, with the goal of bringing the favorite MLP:FiM *Fallout* crossover story *Fallout: Equestria* to life as an animated series. The studio will be represented by two guests, who will provide us an insight into the latest news on their animation front! For Stable-Tec Studios, please welcome Jaroslav "jerry411" Vozár and DSC-Graphics!

Perrydotto

There are several types of auctions. Regular ones, charity ones and the ones run by Perry. Those are the ones that we remember and talk about for many years to come! They are just so different, so awesome and action-packed! And we sure are happy that she is returning to Czequestria to guide you through the Charity auction in style!

Guests of Honour

Przewalski's Ponies

There is only one band capable of playing hoof-stomping, heart-racing pony tunes within our fandom – its the Przewalski's Ponies! They've performed at various events & conventions so we're overjoyed to have them perform at Czequestria's Saturday evening event! It's hosted in the Grand hall that is ready to accommodate all of you for everypony's dancing & prancing! Let's hoofstomp!

DJ Aerial

He's a Dubstep/Ponystep musician who enjoys making hoof-stomping beats as well as dropping some serious bass! He will be taking his tunes live at the Saturday's party event - and even showing off various shimmering visual effects from his trusty assistant! In the past he has performed within a brony club "Muffin" as well as in music bands "Yemen" and "BroniKoni".
