

Czequestria 2019

Ancient World

The past is now

From the far future to the ancient past, we've certainly travelled a long, long way. And what a vibrant past it was! Names such as Babylon, Rome, Celts, and Mayans surely ring a bell among many of you!

And it's not just our past that we've recently seen, but the past of our beloved Equestria as well - thanks to the re-emergence of the ancient Pillars of old Equestria.

Therefore let us welcome you to Czequestria: Ancient World!

Without our rich past we wouldn't be able to live in such a comfortable future. But we've to remember that the path taken to this very moment was filled with many joys... but also with many pains. The same goes with Czequestria as it seems that with every year it just gets bigger and more surreal that a simple joke turned into such a magnificent event.

Sadly, the generation 4 of the show is coming to the conclusion but not to fret - the community is still here and will remain for a long time! And as far as we've all heard, generation 5 is on the horizon! There are still many tales to be told, from the past, present and the future.

Thank you for attending Czequestria 2019 and we wish you friendship-rich weekend here in Prague!

Rules to Rule

Even in the wonderful land of Czequestria we have to set some rules so that all of us can enjoy it to the max! So please bear with us and keep calm & cool whenever possible - we're here to help, not trouble you! Full rules are available at www.czequestria.cz

Please wear the ticket (badge) visibly, thanks!

CZ/SK bronies z.s., Czequestria or any of its staff cannot be held responsible for the behavior and actions of visitors that are inside the convention grounds nor for any injuries or damages caused. Attendees under 12 years of age must be accompanied by a parent or guardian.

Czequestria is a "family-friendly" convention - therefore no sexual, political, or otherwise inappropriate content should be displayed or featured. Breaking this rule will get you removed from the convention without a refund! #MoonCannon

It's forbidden to connect any electronic devices to power sockets without previous consultation and permission from the staff.

Please behave in a good manner towards the attendees, staff and guests - explaining a problem calmly will resolve it faster!

Emergency exits must not be obstructed at any time. During an emergency, please do as instructed by staff and clear out the way for emergency services. In case of fire, please inform staff and, if present already, fire services by shouting "fire". Do as instructed by the emergency services and don't try to fight fire on your own.

All lethal and nonlethal weapons are forbidden. This also applies to pocket knives, airsoft, paintball and laser guns or anything explosive. Staff's ruling is always supreme in any case.

Do not bring food/drinks inside the halls with program (except for clear water in plastic bottles).

Everybody and everypony is responsible for their own stuff. Jump up, make a sound, stomp your hooves & turn around!

Guests of Honour

Elley Ray

Known to the bronny fandom as a voice of Mistmane, one of the Pillars of Ancient Equestria and the Element of Beauty, but her talent reaches much wider and further!

Beside My Little Pony: Friendship is Magic, you can hear her voice in animated series like Corn & Peg, Hotel Transylvania, Care Bears, The Neverending Story, as a narrator in the television series Guilty Rich and many others. Elley teaches voice acting at University of Windsor and has also juried the Gemini Awards, as well as the Dora Awards and the Emmy Awards for Best Animated Series and Best Voice.

Petra Hobzová

Not only a great actress who has appeared in many series and theatre roles, but also a top-notch dubber who has played countless roles.

To Czequestria attendees, she's known as Sunset Shimmer from Equestria Girls, but she has given her voice to many other characters in movies (such as Zootropolis or Deadpool) as well as in series such as Mentalist, Dallas or Powerpuff Girls. In the latter she gave her voice to Bubbles, originally played by Tara Strong, the one and only Twilight Sparkle from My Little Pony.

The Overmare Studios

Well known to all "Fallout Equestria" fans and also to regular Czequestria attendees, The Overmare Studios returns to us!

Team members AdamJ, Ansis, Hamish, and Robert come with the latest news about the development of the computer game Ashes of Equestria. Don't miss their panel on Saturday and be sure to check their table - they sure have something to show!

Guests of Honour

Exiled Game Team

Banish the shadows and bring out the light in you with sisters Iris and Elyana! We're excited to announce that Filip Misiejuk, Eljonek and Slaaneshi from the Exiled Game Team will join us at

Czequestria to present their game development of *Starved for Light*. Visit their panel on Sunday for the latest news and Q&A!

ILLUMINATION

An acoustic dark-folk band founded in late 2015. Starting as a solo project of Velvet R. Wings (vocals, harp, flutes, songwriter and guidance) quickly became a duo when Andy Feelin (bass guitar) joined and together they

performed at many brony music events.

Both Velvet and Andy were members of Przewalski's Ponies and visited most of the brony events in Europe, including Czequestria. ILLUMINATION brings the darker corners of the world to the light through the words and music. For this year Czequestria, they join with Soul Strings (acoustic guitar) and we welcome them all at Saturday evening concert. The feelings in their strings, brought to you on the wings of shadows, will surely enlighten you.

Prince Whateverer

Guitarist, vocalist, and producer from the south-east coast of United Kingdom. Since late 2011, when he released the "Beyond Her Garden" cover (originally by WoodenToaster), his heavy metal and pop-punk music with a light electronic and acoustic flavor become popular among many

bronies all over the world! His debut album "Rediscover" was released in November 2013 and he released three more albums since.

He performed at many conventions in the UK, Germany and the US - now he's going to join us at Czequestria.

Guests of Honour

DJ Delta

DJ-ing since 2002, he's been playing at many brony events in Europe, including GalaCon, Everfree Encore and since 2015 also at Czequestria.

His recent move from Germany to the Netherlands did not stop him from playing his favorite music to share and enjoy it with everypony who likes to party hard!

Perrydotto

There are several types of auctions. Regular ones, charity ones and the ones run by Perry. These are the ones that we remember for many years as they are just so different, so awesome and action-packed! Be it a picture, flag, hat, a bottle of beverage or a kiss from a famous

somepony, she can auction it! Apart from ruling the world of auctions she has many talents, including the skill for art.
