WELCOME!

Welcome to Equestria LA 2013!

Wow.

Equestria LA 2013.

Are you excited?! I'm excited. I can't believe we're here already. Admittedly a full year hasn't passed but it's still amazing to be back in Anaheim, California for another run. What a crazy ride it's been. If planning the first EQLA was tasking, planning a second, bigger and better convention has been an even greater order to fill. My staff has put in a lot of long, hard hours to bring to you all that you will experience this weekend and I really hope you enjoy it.

Considering that last year we were the end of a great My Little Pony convention season, it's nice to come full circle and be the start of a great convention season.

I hope you enjoy your time here at Equestria LA 2013 and look forward to seeing you in the future as well.

To all the mothers out there joining us, or to those that have let their kids run off to enjoy a pony packed weekend, thank you and Happy Mother's Day.

As always, don't forget to take time to *smile*.

Karen Padilla

CODE OF CONDUCT

The following general rule supersedes all others listed below and may be invoked at any time:

Any action or behavior that causes significant interference with convention operations, excessive discomfort to other attendees, or adversely affects Equestria LA's relationship with its guests, its venues or the public is strictly forbidden and may result in permanent suspension of membership.

Rules of Conduct

Anyone who accepts a membership badge agrees to release and hold harmless Equestria LA from any claim for personal injuries or other damages or equity arising out of any individual's activities at Equestria LA, even if such injury or damage is caused by negligence by or on the part of Alicorn, Inc.

As a condition of membership, all Equestria LA attendees are required to abide by these standards of conduct for the entire duration of their stay, even prior to Opening or after Closing Ceremonies.

All convention areas are considered to be "PG" at all times.

Attendees, when in public areas, may not wear clothing which is overly revealing or inappropriate to the atmosphere of the convention, such as fetish-related garb and accoutrements.

No items of any kind, including paper airplanes, may be thrown or dropped from the hotel or Convention Center balconies or patios.
No water pistols, silly string, or any thrown or projectile-type toy may be used in any area of the hotel or Convention Center.

For safety reasons, only handheld glow sticks are permitted in the dances. Glow sticks on strings or on polearms must be cleared with Operations staff before being used. The decision of the Operations staff on any particular item will be final.
Equestria LA attendees must abide by instructions given by Equestria LA Operation staff. Failure to do so will result in loss of membership privileges. Any disputes or concerns may be addressed onsite at Convention Operations.

Equestria LA functions are open only to members, and all attendees should wear their membership badges at all times. A badge is valid only for the person to whom it was issued; badges may not be shared under any circumstances.
Providing transportation or housing, or otherwise enabling an individual that is known to be unwelcome at Equestria LA to attend or enter the Convention's property will result in permanent revocation of Equestria LA membership privileges.

Harassment

Harassment of any kind, including physical assault, battery, deliberate intimidation, stalking, or unwelcome physical attentions, will not be tolerated. If people tell you "no" or to leave them alone, your business with them is done. If you continue to attempt to have contact with those people, you may be removed from the premises.
Discrimination (based on, but not limited to: gender, race, ethnicity, religion, age, sexual orientation, gender identity, or physical/mental disability) is not tolerated.

If you feel that you are being discriminated against or harassed or if you notice someone behaving inappropriately (such as violating hotel or convention policies), we suggest the following:

- If you feel comfortable doing so, point out the inappropriate behavior to the person(s) involved. This often will solve the problem.
- If you do not feel comfortable talking to the person(s) involved, of it talking to them does not resolve the issues, please report the situation immediately to any Equestria LA staff. Please remember that we need to know about any incidents during the event in order to take action.

Equestria LA is not responsible for solving any interpersonal problems that may arise between individual members.

Substance Abuse

The sale or other distribution of any illegal or controlled substances is not welcome at Equestria LA. Any individual found to be distributing such substances will be removed and reported directly to the local authorities.

Anyone knowingly or unknowingly providing alcohol to anyone under the age of 21 will be guilty of a felony and will be turned over to the authorities. It is the sole responsibility of persons serving alcohol in room parties to ensure that every person in attendance is over the age of 21, even if that person is not drinking alcohol. The California Liquor Control Board is extremely serious about this law and we ask our members to respect it.

Miscellaneous Notes

The standards of conduct for Equestria LA will be strictly enforced by Equestria LA staff who will be clearly identified as such on site. Please remember that your con badge is the property of Equestria LA and must be presented and/or surrendered to any Staff member requesting it. If you have any problem with any action taken by a Staff member you may take the matter up with the Chief of Operations or to Equestria LA's Chairman.

Please be reminded that these rules involve, of course, "worst-case" scenarios and are put into place to ensure the safety and comfort of our members. We anticipate no difficulties, as our members as a whole are rational and responsible individuals. Equestria LA is prepared to deal with any or all of the above scenarios in as rapid and efficient a manner as possible should they occur.

We thank our members for their assistance in making this a safe and enjoyable experience for everyone. Have fun and please remember to be courteous of those around you while doing so!

OUR CHARITY

About Child's Play

Since 2003, we've set up and organized Child's Play, a game industry charity dedicated to improving the lives of children with toys and games in our network of over 70 hospitals worldwide. Over the years, you as a community have answered the call and come together to raise millions of dollars.

With those cash donations, we purchase new consoles, peripherals, games, and more for hospitals and therapy facilities. These donations allow for children to enjoy age-appropriate entertainment, interact with their peers, friends, and family, and can provide vital distraction from an otherwise generally unpleasant
experience.

Mission and Goals

Child's Play is dedicated to improving the lives of children in hospitals around the world through the kindness and generosity of the video game community and the power of play.

Child's Play is always striving to pursue new opportunities and expand the positive impact of the cause. This includes consistently researching and pursuing alternate fundraising channels,
new donation platforms, additional events and better community support.

For more information regarding Child's Play, please visit our website (http://www.childsplaycharity.org).
