Patch Notes: Flüüfff 2.0

Welcome to Flüüfff 2026!
After another year of development, we're excited to finally deploy the latest update.

BUFFS
• Accommodation: We upgraded to a new hotel! Make sure to explore the many nooks and crannies the Pullman has to offer!
• Content: We decided to add a whole weekend of panels, dances, games and adventures for your entertainment!
• Community: Our community has grown a lot, and with it the amount of people gathering to celebrate! Without our community we are nothing. Thank you.

NERFS
• Free time: As a result of our content buffs, free time with nothing to do has been nerfed for the next few days.
• Sleep: Alongside free time, sleep may be affected by late-night side quests, parties or exploring.

BUG FIXES
Countless problems have been patched by our incredible staff and volunteers, who have spent months preparing this event. Please give them the appreciation they deserve! They're the developers behind the experience you're about to enjoy!
And finally: thank you for hitting PRESS START. Flüüfff is nothing without the players who bring it to life.
Now stop reading the patch notes and go explore this wonderful world!
Game-on gamers!

Yours truly- -

Flüüfff Chairdragon

RULES

Always ask for consent before touching someone, especially suiters. Keep an eye out for your friends: we're all contributing to the safety of the convention.

Don't bring alcohol or drugs into the conspace.

Smoking or vaping is prohibited in the hotel and conspace.

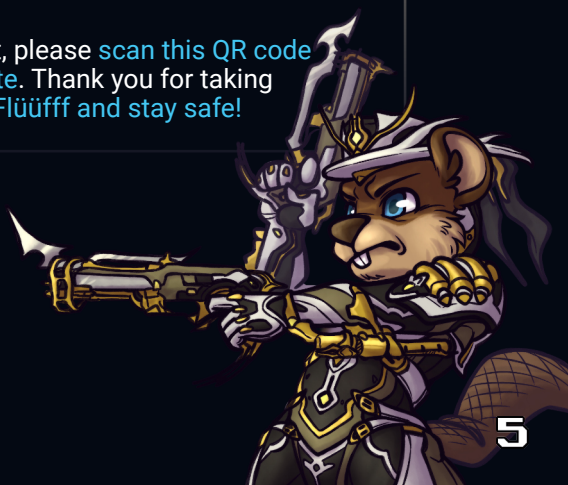

Have your badge with you and visible at all times. We check them at the entrances of the conspace!

Please take care of your personal hygiene. Shower at least once a day. Don't forget to take time out when you need it (nap, rest, walk in the city,...). Stay hydrated!

We're here to help in case of trouble or emergencies. Stewards wear pink vests during their shifts (from 09:00 to 04:00 or last event).

If no one is available, reach out to the hotel. Stewards will be located at the entrances of the con space, at the Dealer's Den, and during some panels!

To see the full code of conduct, please scan this QR code or check the convention website. Thank you for taking the time to check it out. Enjoy Flüüfff and stay safe!

FURSUITING INFO

Access to the Fursuit Lounge is limited to fursuiters, 1 handler per suiter and con staff.

No photography or filming is allowed in the Fursuit Lounge.

Be respectful for our equipment. Remove ONLY your suit, not others! Do not put feetpaws on the dryer for hygienic reasons. Ask staff if you need a spot.

A Fursuit Repair Station is available for you to use for quick repairs. Put all the items back and unplug the glue gun when you're done using them.

Only water is allowed in this space. There will be snacks and drinks available for fursuiters. Please throw away used cups and fursuit straws.

Hey, listen!!!

Fursuiting is NOT Consent!
Always ask permission before you photograph, hug, or touch a fursuiter.

Be mindful of their limited vision and hearing. Give them priority in lifts and help them out on staircases & busy places.

If you notice a fursuiter looking unwell, help them to their room or the fursuit lounge. The fursuit affairs or safety team can help out and get a medic if needed.

WEDNESDAY

My First Furcon

By Milo

Is it your first time visiting a furcon? Then this is the perfect panel for you! Our friendly host will show you what you can expect from a furcon and what you should pay attention to. You will get tips and tricks, which you can also use in your future convention trips. This panel also includes a tour through the con space, so that you will have an easy time finding your way around. Afterwards there is a chance to grab dinner as a group and be back on time for the Opening Ceremony!

NOT My First Furcon

By Incognigoat

This is not your first furcon, but you would like to get a refresh? Over here you will revisit the ins and outs of the perfect con experience, have the chance to re-familiarise yourself with the 6-2-1-rule, fursuit etiquette and tips & tricks you might have not known before. This panel doesn't only include a chance to share your own anecdotes, but also a tour through the con space, so that you will have an easy time finding your way around.

Opening Ceremony

The Opening Ceremony is a colourful mix of information, the official opening of the convention, and an interesting storyline, picking up right where we left last year. In 2025, our heroes survived the fever dream of a magical forest adventure. Just as they thought they were in the clear, earlier decisions came back to bite them, and pulled them into a massive portal! Let's see where our A-Team ended up!

Ice Breaker

While a solo-rpg might be fun, a con can be enjoyed best as a multiplayer experience. Stay after the Opening Ceremony and join us for some ice breaker games to get to know your fellow attendees, find some similarities and maybe even make some new friends!

Karaoke Night

By Skyler

Have fun with singing your favorite songs! It doesn't matter if you can't sing, I can't even sing myself!

THURSDAY

Boardgames

Take a break from the busy convention atmosphere and unwind in the board game area! Whether you're up for a game of Magic or any other tabletop game, grab a seat, meet fellow fluffs, and enjoy a few relaxing rounds together.

Disconnect to Reconnect

By Jawbreaker

In a world of constant notifications and endless scrolling, staying focused online can feel harder than ever. If that resonates, it might be time to disconnect. This panel introduces Digital Minimalism as a way to rethink your relationship with devices, social media, and online spaces so you can build habits that support your well-being instead of draining it.

Snack Exchange

Belgian stories, Floofie players

By Kris Canis

Lands as Egypt, Greece, Norway, ... are known for their mythologies and legends, with well known anthropomorphic deities and creatures like Anubis, the Minotaur, Fenrir, ... But also a small country as Belgium has its share of famous and lesser known anthros and animal-heroes.
This panel presents 3 players in stories which take place in Belgium! For player one, we have the rebelous Reynard the Fox. For player two, we have our good boy Patrasche. And for player three, the noble steed Bayard. For each player the game starts with their time and place to be explained, followed by their story, and as the final boss some did-you-knows.

Wolf Godefriduskaai 30

17 30min, 4.5km

Already missing the Wolf Sharing Food Market from Brussels?
Great news, Antwerp has one too!
Bus 17 from bus stop Desguinlei, next to the hotel, towards Felixarchief (also its destination) brings you right at their front entrance. Enjoy a variety of food options at various kiosks.

Il Carpaccio Generaal Lemanstraat 2a

10min, 750m

A small Italian restaurant serving pizzas, pastas, and anything else Italian. Booking a reservation is recommended!

Kyoto Sushi Desguinlei 186

7min, 500m

This sushi restaurant is located on the same street as the hotel. A great recommendation to eat some delicious sushi with friends after a fun day!

Albert Heijn Karel Oomstraat 47/K

5min, 350m

Not a restaurant, but a grocery store. You can get snacks, sandwiches, and other quick meals from here. As it is a Dutch grocery store, expect a lot of cheese, liquorice and stroopwafels ;)

Colmar Gerard le Grellelaan 2

5min, 300m

This is a buffet-style restaurant with classic (Belgian) dishes.

Flüüfff is not sponsored by these locations.
The hotel also has its own restaurant, located on the ground floor!
