

Fres  
Mare!

# FOREWORD

**I**o years ago, I watched the 1st episode, hesitant to even entertain the idea of liking this show, let alone becoming a fa- hey where did all of horse shaped plushies come from?! I first joined in 2016, went to my first pony con in 2017, and returning in 2025 to start work on FresMare! It is a dream come true! I am so incredibly grateful to the amazing FresMare team for making this event possible, and for putting their trust in me to lead it!

We are so excited to be a part of this new chapter in the MLP Fandom, joining all of these exciting new conventions! During this weekend, I hope you feel as excited and at peace as I felt going to my first pony convention in 2017. I'm thriller-ed to welcome you to Fresno for the My Little Pony Convention in the city you never expected!

Let's oogie-boogie!

**Cloudy Skye**

*Founder and Con-Chair*

The MLP fan community is full of amazing Original Characters and mascots. I had so much fun when I made my little Waffle Hut (*she has a waffle on her butt!*) on my own, but it was a horse of a different color to design our mascots as a team!

All the little AH-HA lightbulb over the head moments with each aspect of them that suddenly clicked into place. Ines' little gryphon tail, Blue Horizon's sandals, Sequoia's whole body cutie mark. their personalities diverse as the regions of Central California that they represent. I love these little ponies so much and thank you for sharing their magic with me.

**Gilliam**

*1st Vice Executive Pony*

**I**'ve been part of the fandom since 2011, but it wasn't until the start of 2025 that I went to my first Pony Convention. Somehow, one thing led to another, and now I'm here, surrounded by so many amazing pony friends and proudly helping make FresMare happen.

It's incredible to me how one small thing can lead to something so big. To everypony joining us at FresMare: it's time for Nightmare Night! Whether you participate in the frightful fun or just want to have a more relaxed experience, I want you to have an amazing pony time!

Let's party!

**Winter Light**

Its  
Ines'  
Notebook

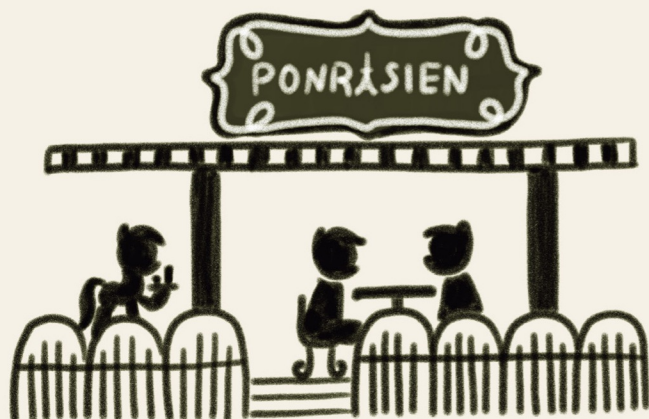

Hello! I'm Ines, and  
welcome to Fresmare!

You're probably wondering  
how this all got started

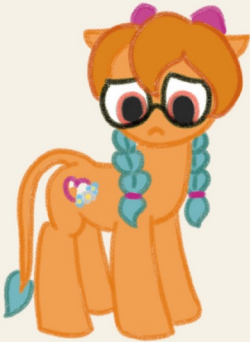

Well, it began when i moved back home

I was all alone

...But then I bumped into friendship

Well, it bumped  
into me

D-did I reach  
Manhattan?

Oh, I didn't  
see you there

Here, let me lend you a hoof

We started talking about how there was no place for ponies to meet and have fun

Together with her friend sequoia, we decided to host a Nightmare Night weekend event full of fun!

So I hope every pony has a great time!
