BIZZAAAM!

1st Grand Galloping Gala

Welcome to the 1. Grand Galloping Gala Convention

Dear loyal subjects,

I'm honored to welcome you all in the name of Princess Celestia and the Galacon staff!

The brony scene has had quite the impact in the past year – And not just in the USA, but also here in Europe. That is why the Bronies e.V. was founded: To create an event for fans, young and old, enjoying My Little Pony: Friendship is Magic all across Europe and beyond!

Galacon might be starting out small in its first year, but we'll see where the crusade for our convention cutie marks takes us. We are all doing our very best, that's for sure!

I wish you all a great time in Stuttgart and I hope you are all as curious about the fandom's future as I am.

Best wishes,

Christoph „Saij“ Friedrich
Con chair,
1. President (Bronies e.V.)

1st Grand Galloping Gala

Convention Rules

These rules are in full effect inside the entire venue area of the Grand Galloping Gala Convention (short: GalaCon).

Security/Emergency

What the Convention-Staff says counts.

You are expected to adhere to all orders given by the convention- and the venue-staff as well as the volunteers.

If you ever find yourself in a bind, don't hesitate to ask the staff for help. Don't try to solve a heated situation on your own! If in doubt, let the guards or other Con Staff take care of it instead.

Emergency exits are to be kept usable at all times. Don't get in the way of volunteer work and medical assistance.

In case of fire go to the marked rescue area and listen to the volunteers and fire fighters. Never try to extinguish fire on your own.

Do not harass, ridicule or bully guests or staff. Leave your bad behaviour at the reception!

Do not talk to the Guests of Honour in their freetime. They need their rest just like you do, so please, give them space!

Animals are not allowed. Only exception are guide dogs and similiar pets that you depend on for your well-being. All other animals will be removed by the local police or animal welfare on your bill if needed.

Do not camp at the venue.

Depictions and symbols that are prohibited by German law are strictly forbidden (An example would be world war related imagery). If you wear, draw or show content with such depictions, you will be removed from the convention.

Use the trash bins! They are there for a reason. Cleaning up behind yourself is important. If you don't clean up on your own, volunteers are allowed to order you to do so.

All kinds of skates are only allowed for photos. You're not allowed to actually use them as a means of getting around the con.

August 11th and 12th, Stuttgart, Germany.

Weapons

All kinds of harmful weapons are prohibited.

All replica weapons are prohibited.

Soft air guns, blunted swords, anything explosive, brass knuckles, knives or any other weapons which can inflict serious pain are prohibited.

Spike collars and bracelets are only allowed if the spikes are shorter than 5cm / 2 inch and if they are blunt.

LARP weapons, foam weapons and any other weapons meant for safe usage are allowed.

The convention staff can and will check your weapon and decide whether it's safe or not.

If you break a weapon rule and bring a dangerous weapon into the venue, it's possible that you will be removed by the police AND charged for violating German weapon laws. You can be fined at least 10 000 € for this, so seriously, don't do it. If you're not sure whether or not your weapon will be allowed, ask us via email beforehand.

Youth Protection

All visitors must carry a valid ID at all times.

The GalaCon-Staff is allowed to see it at any given time.

Valid means of ID:

- The ID in your home country
- Your driving license
- Your passport

Other documents are NOT valid and will not be accepted!

All visitors until the age of 10 can enter the GalaCon for free.

Up to the age of 14, visitors must be accompanied by a parent or legal guardian.

Visitors under the age of 16 must leave the con area at 10pm.

Alcohol and smoking inside the venue is forbidden at all times. Smoking is ONLY allowed at the marked smoking areas. Drunk visitors will be removed from the convention.

All kinds of hookahs are prohibited, electronic cigarettes are allowed.

Dealer Rules

The convention staff has the right to prohibit items from sale.

Art and crafts are allowed as long as it is safe for a general audience. Don't push this rule, please. The convention staff has the right to confiscate any items that it deems unsafe for a general audience.

All fanmade My Little Pony related items are allowed to be sold. Anything that was not manufactured by Hasbro and its license partners counts as fanmade.

Fake items and items made to pass off as official Hasbro products are prohibited. The staff will confiscate and destroy such items.

Official products manufactured by Hasbro or its license partners are only allowed to be sold if:

1. They are not available in Germany. (e.g. Twilight plushie)
- OR
2. They are not anymore available in Germany. (e.g. Blindbag Wave 1 2011)

Furthermore, ALL official merch has to be sold for less than the original sale price and without the original packaging.

All dealers need to take care of their items on their own. The Galacon staff can not be held accountable for loss or mishandling.

Items that got left behind can be send to their owner for a fee. After four weeks without claims for the goods, ownership of the respective items will carry over to Bronies e.V.

Taxes

All dealers need to keep track of their entire inventory and all sales with a list. This is a requirement by German law and has to be adhered to accordingly. The list can be viewed by the staff at any given time.

Only full digit prices (1€, 2€, 5€,...) and half digit prices (0.50€, 1.50€,...) are allowed.

August 11th and 12th, Stuttgart, Germany.

Press Rules

Every member of the classic (e.g.: print, radio, TV) and modern press (e.g.: blogs, websites, podcasts) is expected to protect and obey the Press Code.

Basic Rights

As a member of the press you must ask every visitor for permission before you take a photo or ask them questions.

As a member of the press you are prohibited from using any kind of material that mocks the depicted people or shows them in a bad light. Keep all your work in good taste.

As a member of the press you are expected to be openminded and keep bias and prejudice out of your work.

Report

You are only allowed to report from the Grand Galloping Gala / Galacon if you got validated and allowed to do so by the Press Staff.

Every report needs to be validated by the Press Staff before publishing.

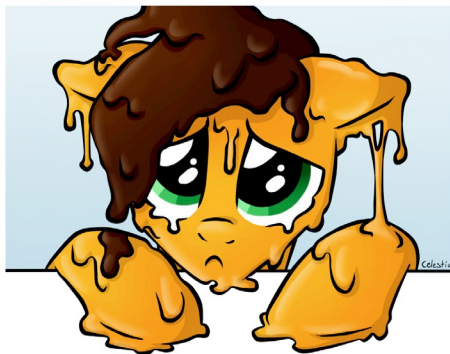

If you or your report are not validated but your material is made available to the public anyway, we as the Con Heads have the right to sue you for misinformation.

Interviews with the guests of honour or the Galacon staff will be arranged by the responsible Press Staff. Don't interview the respective people on your own.

Guests of Honour

SweBow

Legends of Equestria is one of the most anticipated MMORPGs in the brony community. The chance to experience the adventures of your OC and the crusade for your very own cutie mark - That and more is what you can expect to see in Legends of Equestria!

Coming from beautiful Sweden with a special playable demo in store, head of PR SweBow will assist you with your first steps in Equestria.

Icky (KeepOnRockin' Brony)

The man who taught Vinyl Scratch how to spin that record, the „rocking brony“ himself is coming to Galacon. His OC might be a bit on the drippy side but it won't damage the equipment, we promise!

From the Dutch Appleloosa Apeldoorn hails Icky, bringing you his acoustic creations and mixes, guaranteed to make you go wild! Check out what he's got inbetween events and at the Gala evening.

August 11th and 12th, Stuttgart, Germany.

Mr. Poniator

Only he and the Finnish lion know what's hidden underneath that paper bag, but we can say for sure it's a pony with a talent for animation!

MrPoniator, skilled at summarizing all those silly ponies in short enjoyable clips, will be at Galacon with exclusive works. And if you want to take a peek behind the Flash scenes, make sure you don't miss his panel.

Rautakoura

His name doesn't only mean iron fist, it also describes his special talent – Drawing.

Not only does he create the illustrations for the point and click adventure My Little Investigations, he also brought you many of the convention artworks at the Gala!

From the Everfree Forest in the heart of Finland, Rautakoura has found his way to Stuttgart to present you his creative efforts in physical form.

1st Grand Galloping Gala

Guests of Honour

Julia Meynen

Since 2000, her voice is present in many wellknown TV shows and sitcoms. She has shown up as Lucy from Scrubs, Hakufu from Ikki Tousen and many other places far away from Equestria.

To us, Julia Meynen is the most twilightlicious voice actress in all of Germany – And as our favorite faithful student, she will show us her studies on the topic of friendship.

Anneli Heed

If you live in Sweden and suddenly Astrid Lindgren is calling you can bet it's our guest screwing around - Known for her voice imitations and stand up comedy, Anneli Heed hails from the land of DIY furniture.

Twilight needs her scaley assistant, her loyal pal Rainbow Dash and the troublemaking Cutie Mark Crusaders – Anneli has all of those down pat, but you know her best as Wonderbolt leader Spitfire.

August 11th and 12th, Stuttgart, Germany.

Auction

Artists from all over the world have put their hearts and their hooves into their artwork – Artwork that we will lead to a good cause beyond making people smile.

Our charity auction is open to all guests and their wallets, looking for enthusiastic bidders willing to spend money for the greater good. Art is enjoyable in its own right, but we are trying to make it go the extra mile.

All proceeds will go to the current project of Bronies For Good in partnership with Your Siblings e.V. - Providing safe and clean housing for children in Uganda. With your help, these children will get a place to live, play and learn in, thus providing them with a better future.

Among others, you will get the chance to bid on works by **John Joseco, Kefkafloyd, Rautakoura, Ki-yoshii and Futtashy.**

Don't miss out – YOU could be the highest bidder!

About: Bronies for Good

Bronies for Good wants to foster the growth of a global community of caring, socially conscious individuals. To this end, we organize projects such as the Seeds of Kindness fundraiser within our community, projects that educate, projects that inspire, and projects that save lives.

Four projects that will achieve all of these goals are the projects of the Seeds of Kindness fundraiser. These are four initiatives run by locals in Uganda, Burundi, and Tanzania that can attain complete self-sufficiency with the help of our one-time donations, which Your Siblings, as the mediating charity organization, forwards in full. We have already succeeded in funding three of these projects. The last one, however, a project to support an orphanage in Uganda, still needs our help.

Ruth Nambowa and her team want to expand their orphanage to accommodate more than fifty children who have lost their parents to the war or to diseases such as Aids. Children who would live on the streets and would otherwise have to steal to survive will receive access to education, food and care, and a new future and family.

Who is Canni Soda?

Can you believe it? Imagine little me, dreaming of an event like the Grand Galloping Gala for all of her life ... and earning her cutie mark by more or less accidentally creating the tastiest tea all across Equestria, and now – POOF!

I'm the host for the first European Galloping Gala! It is my life's dream come true! I'm a happy, enthusiastic pony, but even confident Canni gets intimidated by such a tremendous event, you know. Regardless, I'm very glad to have you all here and I hope I'm doing a good job as a host! I want to make my sister proud, after all. Rest assured: I could never do it without all of you wonderful guests, volunteers and everyone else involved!

Have lots of fun, you hear? Because I'm having so much of it I can't hold it all myself!

August 11th and 12th, Stuttgart, Germany.

Galacon '13

Well, everypony, the con guide and the first Galacon have both reached their respective ends. But no need to be sad or „borrowing“ Doctor Hooves' Tardis – We will be back in full swing in 2013! (As long as Discord doesn't turn the Earth into a giant Oreo in December, of course).

2013, we promise you will have another best night of your life in Stuttgart! We invite everyone from Europe and all over the world to support us. All helping hooves are welcome! There's SO much on our to-do list for the second Galacon – No surprise, either, considering it will be the 30th birthday of the My Little Pony franchise. Tell us if you got any wishes, criticism or ideas for next year, people who should definitely attend the con, all that good stuff.

Galacon 2013 will DOUBLE THE FUN and I'm sure I forgot at least half of the things I planned for this epilogue. One thing that's definitely been forgotten so far is asking Canni whether she has any closing words or not. So, without further ado, some final sentiments from our beloved Canterloni-an earth pony.

Canni, if you'd be so kind ...
