PlushieCon

Ever wanted to give your MLP related plushies the chance to mingle with hundreds of other plushies, to show them off and to let them have a convention of their own? At GalaCon, you can do so - by submitting your plushie(s) to PlushieCon!

Last year, there were exactly 800 plushies. For an impression, check out the photo. How many plushies will attend this year? It's up to you!

Additionally to the collection itself, Railway Dash will host a showcase to present you the biggest, tiniest and most interesting plushies and talk to some of their creators and owners.

You may also ask questions just like in a Q&A session - Or you can provide them earlier when you hand-in your plush. You're also welcome to just have a seat in the Main Hall in order to take a break from the other evening events.

If you want your plushie(s) to be part of PlushieCon (21:00 to 23:00 on stage in the Main Hall), please read the following:

- Hand-in is at the desk just right to the main entrance. It opens after Opening Ceremony and remains in service until 19:00.
- Each plushie needs to be registered. Each plushie and owner is assigned a unique number. Registration is possible at the registration terminals next to the main entrance.
- Each plushie needs to be labeled with a wristband which shows the personally assigned number. Such wristbands are available at the hand-in counter and the registration terminals.
- Hand-out will be on Sunday from 12:30 to 16:30 at Bürgersaal I / Party Hall.
- The terms and conditions that are available at the registration counter apply.
- Hand-in and registration may be closed early if over-occupied.

Charity Auction

Over the years, Bronies at GalaCon have raised tens of thousands of Euros to support charitable organizations around the world. This year, we can proudly announce Make-A-Wish® Germany as our charity partner!

For those of you not familiar, Make-A-Wish is a worldwide charity organization that aims to raise funds to fulfill the wishes of children with critical illnesses; be it travelling, meeting a beloved musician, becoming a firefighter and so on. The organization has successfully helped realize more than 300,000 wishes since its formation in 1980.

"When a wish comes true, it creates strength, hope and transformation in a child – and a community."

All of these children are experiencing incredible hardships, fighting tough battles and possibly feeling alone in the world. While we might not be able to take their pain away, we do have the power to make a change. Research shows a wish can give children the strength to fight against and even overcome a critical illness.

It is, of course, the power of a community that can make a change happen. And so, our goal in this is to collect enough money to make it possible for these wishes to come true. We sincerely hope all of you will be willing to join us and help a child's dream come true, whoever they are, wherever they come from.

We are very happy to be a part of this amazing cause, as we have always worked with charities that we personally feel strongly about. We also hope to be able to do more to raise funds for children with wishes.

In-Kind Donations

If you want to donate an item to the charity auction, please feel free to ask at the convention office. We gladly accept donations until Sunday morning.

Please mind that we might have to reject some items to ensure that all items can actu-ally be sold within the auction.

Bidding

Every visitor can bid in the Charity Auction. Items will be called up by the moderator. To place a bid, simply raise your hand and declare your bid amount. For the back row seats, there will be volunteers around to take your bid.

Please mind that bids are binding and can-not be called back.

You can pay for your item in cash or using credit or debit cards, EC cards or PayPal. The payment must be made immediately after the purchase. Make-A-Wish® Germany will issue a receipt if necessary.

DEUTSCHLAND

WHAT WE DO

OUR CHALLENGE

Every year, around 6.000 children and young adults in Germany are eligible for a wish because they suffer from a life-limiting or life-threatening condition. From the moment they are diagnosed, the simple pleasures of childhood and family life are replaced by worry, disruption, medical appointments, financial worries and isolation. Make-A-Wish® exists to put those issues to one side by empowering a child with the chance to choose a wish that's unique to them, when so much else has been decided for them because of their health needs. In doing so, a wish creates hope, happiness and memories for the whole family to cherish.

OUR IMPACT

Our global research is building our understanding of the impact of a wish, so we can continually help children and their loved ones to gain the most out of their experience.
We've learnt that when a wish is granted, it inspires a child to believe that anything is possible and it helps to restore some of the childhood that they missed out on because treatment for their condition interrupted school or typical family activities.
A wish broadens horizons and is something to look forward to during tough times. More than that, a wish provides respite and distraction, helps family bonding and wellbeing, inclusion and social engagement.
A wish is more than a moment in a child's life – it fills the days, months and years afterwards. Alongside joy, hope and happy memories sits a new confidence, resilience and self-worth.
A wish improves the lives of siblings and parents as well.

OUR COMMUNITY

Wishes take a lot of time and money to organise. They require creativity, passion and commitment. Our networks and communities – health and social care professionals, volunteers, partners, fundraisers, supporters, wish families – are key to making children's wishes become a reality.

SO WE'D LIKE TO SEND A HUUUUUUUGE THANK YOU TO THE WHOLE MAGICAL PONY COMMUNITY FOR HAVING US AS YOUR CHARITY PARTNER OF CHOICE!!!!

OUR WISHES

Everything about the Make-A-Wish® experience is about the child and the impact a wish will have on their life. We're unique in putting the child at the heart of their own experience. But we know that involving a child's family in the unique way that we do, delivers a big impact.
Our leading reputation – built on a global partnership of wishgranting best practice – is vital to our ability to reach children, inspire others and build relationships.

General Rules of Conduct

- Do not harass, ridicule or bully guests or staff.

- Animals are not allowed on the venue ground. The only exceptions are guide dogs and similar pets that you depend on for your wellbeing.
- Do not camp at the venue.
- All kinds of vehicles are prohibited inside the venue.
- Any spoken or visual display of political beliefs or affiliation with political parties, individuals, (loose) groupings or movements is forbidden as well as any kind of advertisement. This especially includes badges, flags, manifests or posters.

Security & Emergency Situations

- What staff says counts. You are expected to adhere to all orders given by the convention- and the venue staff as well as the volunteers.
- If you ever find yourself in a bind, don't hesitate to ask the staff for help. Don't try to solve a heated situation on your own! If in doubt let the guards or other staff take care of it instead.
- Emergency exits are to be kept usable at all times. Don't get in the way of volunteer work and medical assistance.
- In the case of fire go to the marked rescue area and listen to the volunteers and firefighters. Never try to extinguish a fire on your own.

Weapons, Clothing & Imagery

- All kinds of harmful weapons, replica weapons, soft air guns, blunted swords, anything explosive, brass knuckles, knives or any other weapons which can inflict serious pain are prohibited.
- Spike collars and bracelets are only allowed if the spikes are shorter than 5cm / 2 inches and blunt.
- LARP weapons, foam weapons and any other weapons meant for safe usage have to be revised be the GalaCon staff.

People who are entitled to wear uniforms as officials or public servants are excluded from this regulation.
- No symbols, media, depictions, performances, or writings may be presented on venue grounds which are illegal, liable to corrupting the youth, glorifying violence, liable to disrupt the event or erotic resp. suggestive.
- The staff decides if named criteria are met or exceptions are made. You may – and are in case of ambiguity obliged to – ask before the event.

Youth Protection

- All visitors must carry an official, valid ID at all times. The convention staff can request to see your ID at any time.
- Up to the age of 14 visitors must be accompanied by a parent or legal guardian.
- Visitors under the age of 16 not accompanied by a parent or legal guardian must leave the con area at 10 pm.
- Alcohol and smoking inside the venue are forbidden at all times. Smoking is ONLY allowed at the marked smoking areas. Drunk visitors will be removed from the convention.
- All kinds of hookahs are prohibited.
- Electronic cigarettes are only allowed outside the venue.

Food and Drinks

- You are not allowed to bring food or drinks from outside the venue. Everything bought outside the venue has to be consumed outside. Food and drinks can be bought at the venues snack point.
- No food and drinks are allowed in the Theatersaal (Main Hall).
- The terraced site belongs to the DANZA restaurant. Only food and drinks purchased there may be consumed in that area.

Recording of Video and Photo Footage

- Throughout the whole convention weekend, our internal documentation and streaming teams will record film and photo footage of the event.
- Be aware that when our teams record crowded scenes or panels, you might get filmed or photographed unnoticed. The GalaCon team has the rights to publish this footage at any given time.
- If you notice this and don't want to be in the pictures and/or videos, please stand back and avoid entering the scene.
- If our team films/pictures single persons or small groups, they will ask for your permission. It is your right to disagree being filmed or pictured respectively stepping out from the picture or scene in that case.
- If you don't veto on this subject clearly, you silently agree to be filmed/pictured and the recorded footage being published at any time.

Courtly Etiquette

Consequences

- In case of a violation, we may exclude visitors from the event (house ban), deny entrance to the event or even exclude visitors from future events.

- We may also exclude visitors from the event or even future events if their behavior and their visible belonging to our events' attendees damages our reputation. This is especially presumed in case of negative press reports or complaints relating to such behavior.

Dress Regulations

The Gala Evening

The Gala Evening takes its inspiration from its namesake. For a couple of hours the lobby in front of the Main Hall will be transformed into a venue for a fancy evening with all of the class but none of the snob! Put together a stylish outfit, bring some courage to dance, and you're all set.

Gala Ball Dress Code

Your outfit needs to be decently presentable. Think of a job interview for a position with formal dress code like a bank or similar business. Or even a fancy dress for a wedding. If you're unsure about a specific clothing item, ask yourself if someone would honestly put it on for a job interview, a company meeting or a wedding with formal dress code. If the answer is "yes", then it's good to go.

No shorts, no T-shirts. Generally, no leisure wear. You don't need to bring a tuxedo but your average casual clothing is not enough.

Pants, skirts, and shirts are preferably unicolored. If there is a pattern (like stripes) maximum 2 colors. No multiple patterns (like a lumberjack shirt), decals or other kinds of embroidery (like Western shirts). Shirts with short sleeves are allowed. Jeans are only acceptable if they look on par with a good pair of cotton pants (for example, a fine pair of black jeans works). Bluejeans are not accepted.

Length of skirts and dresses: Minimum length allowed of skirt/dress and cut outs is 4 inches (10cm) above your knee. Everything shorter is not acceptable and can be rejected. Cleavage on dresses is generally allowed, if it is not too reavealing (minimum 50% have to be covered) or sexually explicit.

No sports shoes or other kinds that are considered casual. A decent pair of black or unicolored shoes already work. Boots are allowed, if they fit to the outfit or costume.

Cosplay and costumes are allowed as long as it fits with the general dress code rules: Formal but not too casual or unfitting. The same applies to cross-dressing.

Military styled costumes are only tolerated as long as it looks fictional. No real world related clothing or symbolism. Also no weapon props.

Overall, apply common sense and you should be good to go! As long as the minimum is fulfilled you are allowed at the Gala Ball. See this as an opportunity to really dress up nice.

So called "Ugly Suits" or "Oppo Suits" are strictly forbidden from attending the Galaball due to their flashy colors and extraordinary patterns. This rule also applies on fursuiters when wearing such sort of suit as part of their fursuit.

Minimum Basics Men

Formal shirt, long pants or fine fabric jeans, lace-up shoes or similar (no street shoes).

Optional: vest, jacket, tuxedo, necktie, bow or neckerchief.

Minimum Basics Women

Blouse, long pants/fine fabric jeans or a dress, laceup/heeled or flat shoes (no street shoes).

Optional: skirt, vest, jacket or bolero, tuxedo, necktie, bow or neckerchief .

We are furthermore thankful for your trust in our team and the unity of our community.

It is thanks to you that we can say: This is to many more years of GalaCon!

Supporters in Difficult Times

Through the past two years, we unfortunately were not able to meet in person. But there are no brakes on the GalaCon carriage!

With GalaCon Online 2020 and GalaPunk 2021, we tried to bring a little bit of the convention feeling to your home. And many of you showed great support - by buying sponsor passes or merchandise to cover our costs, by contributing to the organisation of our online events or by donating to the charity auctions for the benefit of our charity partner, Make-A-Wish® Germany.

Thanks to everyone who remained loyal to GalaCon - and especially to everyone who supported GalaCon and our charity partner!
