A Message from the Convention Chair

Welcome, one and all to Fabulous Las Vegas! I am so proud to welcome you to the premiere My Little Pony Convention in the Entertainment Capital of the World.

It has been a long journey from idea, to reality, but all of the staff and I are so grateful to have you here in our paradise in the desert. As you may have gathered, the theme for this first year convention is celebrating the beauty, excitement and glamour of Las Vegas, itself! We take all the wonderful parts of our city, and bring it to you in a family-friendly atmosphere of Ponies.

Our guests joining us this year are the wonderful voice actors Bill Newton and Vincent Tong, story writers M. A Larson and G.M. Berrow and comic artist Tony Fleecs! Be sure to catch them at the guest of honor panels or autograph sessions. This is in addition to our many community guests and musicians who will be putting on spectacular performances all weekend. With so much fabulous content, you might have some tough choices!

Now, many of you were quite apprehensive about visiting in the beginning, if not still. I fully understand, and want to thank you for having faith in our team to eradicate the stigma behind conventions past. From the founding of this convention, to now, I have had the privilege to meet so many fellow attendees, community guests, guests of honor and convention staffers. You are truly what inspired me to bring back My Little Pony to this amazing city, and I could never express my gratitude enough. I want to extend an extra special thanks to our sponsors, especially our top tier packages. Not only did they want to visit a Vegas Pony Con (many for the second time!), but they wanted to go all the way, and support us as best as they can. That takes a tremendous amount of confidence and trust.

Finally, I want to extend a heartfelt thank you, and a big hug, to all of our staffers and support team. They have brought this convention from concept art to life in just shy of one year. That is no simple task.

I hope you have a wonderful weekend, and experience all that High Roller Pony Con has to offer. Thank you, and welcome, to Fabulous Las Vegas!

Jeffrey Price aka: "Star Storm"

A Monkey's Art Talk
Hosted by AssasinMonkey
Luxor Room, 11:00 AM to 12:00 PM
The main focus is to talk, and do so from the heart with a general direction towards art because I'm an artist. It's to share my perspective on what I've learned and experienced while making art, how I grew, and how this fandom was involved as well. Doing so with the intend to inform, help, motivate, inspire, or just share my view, struggles, and steps through art. This isn't just aimed at other artists, but everyone who's even thought or looked at art.

For structure, I'll start explaining myself, who, what, how, etc. Proceeding into different flexible topics of Art Talk. e.g. how art is a universe we all collaboratively explore, where everyone is important to further discoveries. Finally a Q&A where people can ask all sort of questions, whether art or personal ones.

Ponies at Dawn
Hosted by John Kenza, Faulty, Lycan
Excalibur Room, 10:00 AM to 11:00 AM
This panel will discuss the music compilation album series produced by Ponies At Dawn over the last few years. The aim would be to discuss a brief history of where P@D came from and how it's gotten to the point it's at now, as well as to discuss the personal experiences of the panel members with the album series. Finally, we would dedicate some of the session time to answer any questions the audience might have about P@D, pony music, or other related matters.

Hot Pones with Tony Fleecs
Hosted by Kill Screen and Tony Fleecs
Royal Flush's Mane Events, 11:00 AM to 12:00 PM
A parody/tribute to the show "Hot Ones" on First We Feast's YouTube channel.

Destination: Equestria: A Tips and Tricks Panel to Roadtripping
Hosted by Storm Chaser
Luxor Room, 11:00 AM to 12:00 PM
There are several pony-centric conventions all over the United States, which means lots of traveling from one side of the country to the other. Many people take flights to these conventions. Have you ever considered taking a road trip to a convention to sightsee, tasting new foods, and seeing nature's natural beauty? This panel will give you a brief overview on road tripping and offer plenty of advice based on my experience roadtripping to Everfree NW 2017 and HRPC 2018.

Firedcon2018
Hosted by Anyone that Star Storm has fired.
Renaissance Room, 11:00 AM to 12:00 PM
Anybody who has frequented the HRPC Discord channel knows it doesn't take a lot to get fired around there, even if you don't work here! This is an hour for people who've been fired by Star Storm, to come together and talk about how we got fired.

Royal Court
Hosted by Tenkage
Excalibur Room, 11:30 AM to 12:30 PM
Princess Celestia will be holding the Court of the Sun at HRPC! Now, you can finally air your grievances- with the show, with Twilight and her friends, with the distinct lack of royal involvement- and the Princess herself will address them for you. We only ask that you keep things family-friendly for the convention itself, and... Don't expect the Princess to be an absolute delight. This IS Day Court, after all...

Saturday Guest of Honor Improv Panel
Hosted by GoH and Dusty Katt
Royal Flush's Mane Events, 12:30 PM to 1:30 PM
Famous for their tremendous work on the show we all adore, join our amazing guests of honor for an hour of fun improv! What will it be about? Are the guests going to re-create a night out on the strip gone right (or terribly wrong)? Why is Larson making the poker dealer an alicorn?! You'll have to find out here.

High Roller Lip Sync Battles
Hosted by The Watchful Pony
Luxor Room, 12:30 PM to 1:30 PM
Ever watch Lip Sync Battles hosted by LL Cool J on Spike TV, well now the fun of lip syncing to your favorite songs live on stage has made it way to High Roller Pony Con. A pre-selected list of well-known bronies and pegasisters coming to the con will get to lip-sync to their favorite song live on stage (and may or may not be wearing costumes), and then (time depending) we'll open it to audience participation.

Hosted by Brony Drumming
Excalibur Room, 1:00 PM to 2:00 PM
It's where I describe the song covers in the brony community, whether it be vocal, guitar, bass, drums, piano etc. It's also where I describe how to get a following, what video production you should have, and also considering the copyright laws, and what to do if you are doing a song cover, whether or not it is protected under copyright.
