GUESTS

IGOR / MY LITTLE TIES

As a fan of the show since late 2011, Igor has two long term goals in the fandom. The first is to create fashionable formal-wear accessories with which to allow ponies to be brought into nearly any working environment, and through this to ever so slowly e

IMALOU

My name is imalou (she/her), I'm a professional character designer and concept artist from France and I do a lot of pony art on my free time ! I participated in the creation of the new mane cast of G5 such as Izzy and Sunny, and many more secret stuff

INKY NOTEBOOK / MEGAN YOUMANS

From creating the Traveling Pony Museum project to help artists, voice acting, convention vending, and more, Inky Notebook has been a part of the fandom since its beginning.

ST. PINKIE

Daniel "St. Pinkie" Anthony is the perky, hyperactive chief of Project SEAPonyCon, Asia's most diverse brony convention and Crystal Empire Records - a record label based in the Southeast Asian region. He was a community guest at TianFu Bronycon in 2019

GUESTS

DASPACEPONY

I am a PMV artist that has won several PMV contests from various conventions such as BronyCon, contributed in many ways to the PMV sub-community, and have worked with the likes of Sawtooth Waves and Ponies the Anthology.

BUCKWEISER

Architect by day, pony artist by also-day, Buckweiser is known for his vehicle and military-focused drawings. He'ss also one-third of the team behind SEAPonyCon, Southeast Asia's premiere brony convention.

FEATHER

Feather is a small artist who's been in the fandom since 2012. From the golden age of Tumblr ask blogs to the rise of cons, they've been through it all (and participated in some of it)!

YUDHAIKELEDAI

Engineer by day, hobbyist animator by night! Animations include MLP in the Sims series, Frostpony, and MLP Dota. Also a rookie digital artist!

GUESTS

DEUS

Chairman of Pony Events Federation e.V (Host of GalaCon and Everfree Encore) Chairman of GalaCon, Staff of other smaller events.

SPIDIVONMARDER

Basically I'm organizing meet ups and conventions in Poland. It's hard to count them, but including smaller events, the number is higher than one-two hundreds. My second "fandom quest" is writing fanfiction, especially crossovers.

CHRISTOPHER LEINONEN

Christopher Leinonen has been an animation industry professional since 2007, and worked as a Character Layout artist and supervisor on the MLP TV series on-and-off from the first to final seasons, as well as animating on the FIM movie.

PANELS

OPENING CEREMONY

Welcome aboard to Midair Pony Fair! Our two con-chairs, Anticular and NekoSnickers will be welcoming you to our second iteration of our humble convention. Listen in for important information like where to find the vendor hall and Twitch rules.

PONIES OF THE WORLD: SOUTHEAST ASIA

No journey around the world is complete without a stopover in the melting pot that is Southeast Asia! From the bronies who brought you Crazy Horse Asians at BronyCon 2019, Crystal Empire Records and Project SEAPonyCon, come hang out with a bunch of chatty, creative and passionate dorks from four different countries across ASEAN to find out what happens in this side of the world!

LIVE MUSIC: PEGASYS

Making face sounds in the worst ways you can think of. Pegasys will bring you bass. But he will also make you think. Feel. Understand. Watch him flounder about with his weird CASIO guitar and flounder along with him.

PONIES OF THE WORLD: EUROPE

Flying all the way from Asia to Europe is our second Ponies of the World panel for the day. Featuring our panel of three special guests from that region of the world, we'll gain some insight into what the MLP fandom is like in good old Europe.

PONY FAN ANIMATION: BEHIND THE SCENES

Join Minty Root, CaptainHoers, and Hyper Dash as they talk about pony fan animation! We'll go behind the scenes on future and past projects, and even show you some never-before-seen animation!

PANELS

EQUESTRIA'S NEXT TOP ARTIST!

Art is subjective...unless you're drawing ponies, of course! Join the RiffPonies crew and a true color wheel-worthy assortment of creative community guests as teams of popular My Little Pony fan-artists clash for artistic supremacy in a gauntlet of artwork-based games...with YOU as the judge! Help these knuckleheads decide who truly is "Equestria's NEXT Top Artist"!

LIVE MUSIC: KOA

Hiya! I'm Koa, resident yellow pegasus of electropop, here to offer you some danceable tracks to get those hooves moving and those cute pony heads nodding!

THE ALUMX SHOW

A thrilling show hosted by Alumx. Nobody ever knows what will happen, enjoy pure chaotic art experience that will unfold before your eyes

PONIES: THE NEXT GENERATION WITH IMALOU

My name is imalou (she/her), I'm a professional character designer and concept artist from France and I do a lot of pony art on my free time ! I participated in the creation of the new mane cast of G5 such as Izzy and Sunny, and many more secret stuff for the 2021 MLP Movie.

SELLING ONLINE FOR ARTISTS! WITH TECHYCUTIE

Join us as we give Artist Alley tips and tricks to help you learn to navigate the online convention space as an artist selling in a virtual artist alley, learning selling platforms, and beyond!

LAYING OUT MLP WITH CHRISTOPHER LEINONEN

Christopher Leinonen has been an animation industry professional since 2007, and worked as a Character Layout artist and supervisor on the MLP TV series on-and-off from the first to final seasons, as well as animating on the FIM movie. He's also worked on Carmen Sandiego, and as an animation supervisor on The Snoopy Show - all at Wildbrain Studios (formerly DHX).

LIVE MUSIC: PRINCEWHATEVERER

I'm PrinceWhateverer! Muscian and producer from the UK, I do pony themed rock/metal on YouTube, been with the fandom since 2011 and don't plan to go anywhere any time soon!

FREAKIN' LASER BEAMS 2 WITH MY LITTLE TIES

Laser etching ponies onto various metal things! Mugs, Pocket Watches, Titanium Tags, and more!

DISABILITY IN MLP

We will be talking about how both the fandom treats disabled characters as well how it is handled in canon media (as well as fanon!). We will also cover how to interact with disabled fans which includes intellectually disabled adults.

3D MODELING EFFECTS ON THE MLP FANDOM

It will be a discussion and teaching of 3d modeling and how much it has influenced the mlp fandom. We will talk about how we all started in the fandom with 3d modeling, then discuss what we learned along the way with 3d modeling. We will also discuss where we might see the 3d modeling be in the mlp in the near future.

PANELS

LIVE MUSIC: KHALIBER

After many projects throughout the years, 2017 would be the year when Benjamin would start on his most ambitious artist project, Khaliber. In 2020, Khaliber would find his break with his single "Beyond," which earned him a spot on the Ponies At Dawn label. Then, he would follow up with his next track "Phoenix," and gain the support from the artists: Silva Hound and Odyssey Eurobeat. Now in 2021, this may be Khaliber's biggest year yet with his releases on A State Of Sugar & Equinity, his official remix of Silva Hound's "Root of All Evil" and a his debut EP coming in May. All this while Khaliber whips MLP conventions into a frenzy with his supercharged DJ sets, mixing a little bit of everything for anyone to enjoy.

LIVE MUSIC: TW3LV3

I'm a Belgian brony musician known for my track "One Small Thing (feat. Drummershy, Koa & MC-Arch)" and for my collabs with General Mumble, MrMehster, Loophoof and more. I'm also known to be at the head of a lofi - Chill music label called VibePoniez. I played multiple times for online cons such as Ponyfest, Burning Mare, Ciderfest and more. I'm playing Neurofunk and Liquid Drum&Bass music.

MUSIC PRODUCTION WORKSHOP

I'll be giving a series of tips and trick on how to improve and grow as a music producer. (This will take up most of the panel) Then, I'll be going through a list of past releases I've made with Ponies At Dawn, A State of Sugar, etc while I'll be explain my process and tell stories behind the music I present.

ON BOARD THE TRAVELING PONY MUSEUM WITH INKY NOTEBOOK

From creating the Traveling Pony Museum project to help artists, voice acting, convention vending, and more, Inky Notebook has been a part of the fandom since its beginning.

DRAWING4EXPOSURE

A panel of starving artists. A bloodthirsty crowd. Suggestions in a hat. MidnightPremiere and the Dootz Crew challenge the audience in a desperate battle of wills.

PANELS

LIVE MUSIC: MELODYBRONY

MelodyBrony is a multi-instrumentalist musician based in southeast Michigan. Melody specializes in rock and metal but also does softer genres as well. With a track record of many performances, he has a sound for all audiences. Original album "Wannabe Rockstar" coming soon

LIVE MUSIC: BOLT THE SUPER-PONY

When not staring into the void while waiting for conventions to return, Bolt DJs on PonyvilleFM where his show Music is Timeless (Fridays @ 9 PM PDT), has been introducing Pony fans to great new music and old classics. Bolt even ran a request show on the Pony MMO Legends of Equestria! Outside of the airwaves Bolt is active in the fandom as well, continuing to volunteer and perform at conventions and parties across the west coast. Bolt loves the show and everything it stands for as well as the My Little Pony community. In his spare time, he can be found enjoying Pony content (and memes) on EqD, Derpibooru, and Twitter (where you can follow him @SuperPony-Bolt!), as well as spending time with his friends.

LIVE MUSIC: GENERAL MUMBLE

Hello!! I'm General Mumble and I make lots of kinds of electronic music and sing and stuff. I've been around in the fandom for a minute so I'll be bringing you old and new material that I hope you find fun and nice and cool c:

FALLOUT: EQUESTRIA BY SHOTGUN ANGEL PRODUCTIONS

Do you like Fallout: Equestria? Do you wanna see new and unique content for it? Today we will present audiobook pieces, perhaps a brand new song, certainly a new episode of News from The Bunker, and especially work on animations for Fallout: Equestria! Not to mention you will get to talk to Voice Actors, Animators, Modellers, Writers, Project Directors, Musicians, Singers, and Video/Audio Engineers for how you can create your own projects as well as the difficulty and challenges perhaps even solutions for your own projects too! Let's sit down and do something fantastic, welcome to Fallout: Equestria.

AN EQUESTRIAN TRIVIA TROT: THE MIDNIGHT MARINARA 2

Do you like Ponies? Do You like Trivia? Do you like trivia ABOUT Ponies??? Hop into the chat and answer our trivia questions!! Whats the point? there is no points, but there is Trivia, and the satisfaction of knowing you know things. Things about ponies.

PANELS
