TAILS OF TERROR
WHAT LIES BELOW...

Welcome to Tails of Terror 2026

Welcome, Deep Sea Divers!
Welcome to Tails of Terror 2026: What's really below?

From the depths below we welcome you all to our spooky event in Brisbane for the 5th year in a row. This year we are excited to make this little con into a bigger and better event!

For the next few days we invite you to explore the deep blue by checking out our panels, supporting our ever-changing Dealers' Den, visiting our evening dances, chilling out in our games room or even meeting some new friends!

Bringing this event to life is our loyal and dedicated team of volunteers, who work tirelessly to create a welcoming and enjoyable experience for everyone. Coordinating this year's event has been incredibly rewarding, and we're excited to share everything it has to offer, including a range of new and enhanced experiences for you to enjoy.

Thank you once again for being part of this spooky adventure.

FurDU's 2026 Charity

Each year, Furry Down Under holds a charity auction to support our locals!

This year, our incredible community donated a total of $14,603 to WildLife Empire!

WildLife Empire strives on rescue, rehabilitation, and safe sanctuaries for wildlife until it is time for release. Located in Inglewood, WildLife Empire is committed to the care and rehabilitation of native species – including owls, kangaroos, wallabies, possums, bats, reptiles, and many more.

The organisation ensures that wildlife in need of assistance receive the highest standard of care and support, with all activities carried out under the required permits, licences, and oversight from the appropriate authorities.
WildLife Empire is self funded and rely on donations from the public to help.
