SAFETY & CONDUCT

Attention gamers! Before you set out on your adventure, please go through our tutorial on safety (and no you can't skip this). This tutorial is a helpful guide on how to keep you and your party refreshed for another round of chaos. Note: we cannot guarantee your save file for the day so please save by using your hotel bed...best to save twice just in case to gurantee you will respawn where you left off.

To begin with: the Golden Rule for every convention: 6-2-1:

- Get at least 6 hours of sleep each night
- Eat at least 2 meals per day
- And have at least 1 shower each day

This will ensure you are ready to engage in the fun with us all weekend

If you are fursuiting this weekend we highly advise you get yourself a handler to help you navigate, especially during the Fursuit Walk, and make sure you drink plenty of water during your suiting escapades.

Those who have come to see the fursuiters are asked to please be respectful. Always ask before hugging or taking a picture of any fursuiter. Try not to sneak up behind a fursuiter, remember their vision is limited in their suits.

Anyone wishing to take video footage or photos at WAFF must always be respectful of the other attendees at the convention. Always ask permission before taking any photos or video footage. If your media contains the faces of those who have not given permission, you must censor them. Please read the Terms and Conditions of WAFF before posting any media publicly. WAFF takes the privacy of its attendees very seriously.

Make sure you have your Con Badges on you at all times when venturing into the con space. Be aware that WAFF is restricted to 18+ and you should always have a valid form of Photo I.D. which will be checked before you are given access to con space.

The venue is strictly non-smoking. If you'd like to smoke, please do so outside and away from all entrances.

If you need a hand with anything, have a question, or require some more advice, please feel free to talk to any of our staff or volunteers. You can recognise them by their staff badges. You can also get in contact through the official WAFF telegram chat group at:

https://t.me/WAFF_Official For the complete Code of Conduct please view it on our website at:

https://www.waff.net.au/terms or scan the QR code below.

Important Notes from the Hotel:

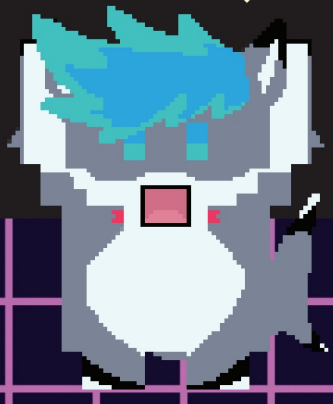

- Fursuit Heads must be removed while in the restaurant, or at the Hotel Bar.
- Please keep noise at a minimum after 9pm
- Only registered guests in hotel rooms after 9pm
- QR Codes and Stickers must be kept in the event spaces and out of common areas, If any are found to be inappropriate, the hotel will take appropriate action.
- All attendees must follow directions of hotel security at all times.

WELCOME, CAT HAVEN !!

"Rescuing Cats from the Perils of the Streets" was the original aim of the Cat Welfare Society when it was established in 1961. Thanks to the efforts of dedicated staff and volunteers over many years we have grown to become Western Australia's premier cat welfare organisation, trading under the name of Cat Haven.

Cat Haven, WA's largest shelter for homeless, lost and abused cats. Our vision is that every WA cat should be a well-cared for cat and we work towards achieving this by providing:

- shelter facilities for lost, abandoned and stray cats;
- a foster care program that allows sick, injured and shy animals to recover in volunteers' homes until they are ready for adoption; and
- a re-homing program at the Cat Haven campus as well as through a network of 23 external adoption centers across the metropolitan area.

Cat Haven takes in 7,000-9,000 cats and kittens every year and has a zero euthanasia rate for treatable re-homable cats. We have over 700 members, employ 55 staff and are supported by 71 volunteers who assist at the shelter and over 800 volunteer foster carers.

Cat Haven's core business is not only about improving the welfare of cats and kittens but also about improving the lives of people in the community and protecting our environment. Our rescue and surrender services ensure stray and unwanted cats are properly cared for and placed into suitable new homes rather than being 'dumped' on the streets. In this way we help reduce the stray and feral cat population and all the problems these can create for people as well as protecting native species. Our re-homing services help people find a cat or kitten that suits their lifestyle thereby helping individuals and families gain the benefits of owning a companion animal.

NORANGCHA -Hello! I'm known as Norangcha or Electrixocket and I'm half of team Orockseal. I'm originally from Korea and I came down here nearly 10 years ago. I have to say, it was one of the best things I've done in my life- I found my wife and built my career here! Drawing is my passion and I don't ever plan to stop! 반가워요!

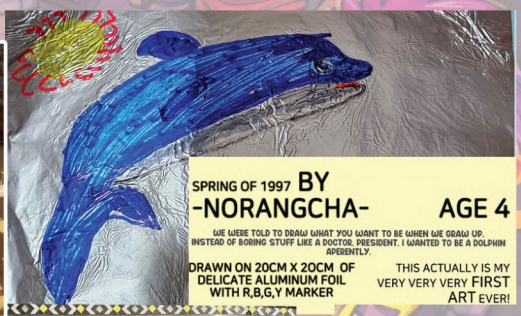

NIFTJI - Ayo I'm Niftji/Namog, the other half of team Orockseal! I've got a passion for fashion and art and I've been living that dream together with my husband for nearly 10 years now! We spend our time travelling the world and sharing our creations at conventions all across the globe. I love what we do and am forever grateful to be able to bring that joy to all you wonderful folks at WAFF!

Together we are OROCKSEAL! (Fun fact: that means arcade in Korean). We met through the furry fandom 15 years ago, and Norangcha moved to Australia shortly after. We've been making art, apparel, comics and more together ever since! As a team of two we have a dynamic mix of skills and inspirations but share a passion for furry, videogames, pop culture, Korean folklore and more. We love travelling the world together and spending time immersed in furry communities and sharing all we have to offer. WAFF and it's amazing local culture have been an especially wonderful part of our journey and we're excited to be able to give back as guests of honour this year! As attendees since year 1 we've made so many friends here and we're so thankful for every one of you, plus the new ones we'll surely meet this year!
Many thanks and much appreciation to all you amazing folks,
Norangcha & Niftjji , Team OROCKSEAL

CHARITY AUCTION & CLOSING CEREMONY

05:00PM – 07:00PM / MAINSTAGE

Grab you change, arcade tickets and credit and come down to the annual WAFF Charity Auction!

Snap up some amazing items and dig deep into your pockets to raise funds for our chosen charity The Cat Haven. Followed by the closing remarks from our Chairman.

DJS & DANCE

09:00PM – 12:00AM / MAINSTAGE

We're transforming the Main Stage into one massive dance floor. With the bar open and category-05, hazel, solitareace and neyonrenard taking over the decks, expect three hours of big beats, questionable dance moves and enough energy to shake the Esplanade. Hit the floor and help us celebrate a full decade of WAFF.

STICK WHERE? STICK HERE!

10:00AM – 10:00PM / WAFF LOBBY / EVERYDAY

This years WAFF will have two items available to make your mark and add your stickers too! Our Mini Motorbike - to be auctioned off this year - it runs too! And a large scale GameBoy Game Drive!

We want to see these items covered in your stickers! So get to it!

THANK YOU

West Aussie Fur Frenzy (WAFF) acknowledges the Traditional Owners of the land on which we meet, the Whadjuk people of the Walyalup area and pay respects to Elders past and present and we recognise their cultural and heritage beliefs are still important today.

A big thank you to all the lovely Sponsors who have helped keep WAFF running allowing us to face any challenges in our path. The extra financial assistance you provide gives us the opportunities to expand and include so much more at each convention. Your support means a lot more than you could ever know, not just for us, but for all the attendees! Thank you all!

A very special thank you to all our associated communities who have become a part of WAFF. Providing spaces for our attendees to find out more about themselves, to find friends with similar interests, to feel safe and accepted and free to be themselves. Whether adding entertainment to our event, offering fun merch, or simply being a friend of WAFF. We hope to grow this family more and more each year, you are all very special to us.

WAFF enjoys a safe, inviting and fun atmosphere each year thanks to the truly incredible work of some amazing people. They do a lot of work behind the scenes to make sure that everyone is having a good time. An event like this would simply not be possible without the tireless efforts of our Operations Team.

Archie Nova Edwin Volunteer Marshal Team

It is without a doubt, our absolute pleasure to humbly thank the champions who sacrifice countless hours of their own time. The Events Team has shown the meaning of dedication. It is a huge task organising all the events, panels and activities that make WAFF the amazing, inclusive and fun experience it is. It takes real thought, hard effort and giving a true part of yourself, to do this job. We cannot sing their praises enough for everything they tackle and everything they accomplish.

If you see them around the convention, let them know how much you love what they are putting on, it will mean the world to them.

For right here, right now, join us in thanking these legends!

Finally, we would like to thank all of you. For attending this convention and making it the spectacle that it is and growing our culture. After all, it's the Attendees who make the convention come to life.
