You can also always finish drawings in the Zoo after!

Carving Rubber Stamps for Printing (demo)

Want to make your own prints but without a press, noxious inks, and other expensive or hazardous supplies? You do? Great. Let me show you how! I'll be using original art to carve a design into a plate of rubber and using a nontoxic ink to make small prints. I'll discuss other materials for use with this method plus the tools I'll be using. (This isn't a hands on activity because I don't have the money to afford liability insurance. Sharp stabby objects for art are dangerous! Ask to see my scars.) (Actually, don't do that. Nightmare fuel.)

Cheese and Sleaze: Pulp Covers and Posters (18+)

 Panel 2 (Washington B)

These have been called many things: Egregious, contemptible, trashy... But they're also entertaining as hell. Source accuracy didn't matter, only grabbing eyeballs; often making promises the actual content couldn't keep. Maybe you will find joy in these, or at least a few laughs.

 **10:30pm - 11:30pm**

Slashing Fanfic AD (18+)

 Panel 3 (Conference Theatre)

This year we're "slashing" our adult writing panels to bring you a totally new discussion on writing adult material. We'll be talking about the process and art for those times when you really want to see some canon characters in some very non-canon situations. How true to the original characters should you stay? How do you furrify (while making up your own words) properties that aren't originally furry? Will you keep it a tasteful romance or go all out? All this and more in our first panel focused on adult writing in fanfiction.

 **10:30pm - 12:30am**

Sketchbook Swap AD (18+)

 Panel 2 (Washington B)

~Khajiit Has Wares~ The Furry Flea Market returns! It takes place on Sunday of the convention. Here, you can set up and sell your old furry stuff, video games, figures, plush, cosplays and more! Basically, imagine it as a big furry yard sale. **RULES** To sell your stuff in the flea market, a \$5 donation to the charity fund will be asked. **Tentative Times:** Sign in begins at 12:30pm in the hallway. We will let members in to place their items as soon as the room is made available to it. **Doors Open** to the public at 1pm. Event ends at 3pm. These times may be subject to change as the convention date draws closer **HOW TO SELL:** You must first check in with Furry Flea Market Staff before the event opens to the public. They are located at a table outside of the event room. Sign off on a form that you understand the rules (also posted below). Enter the room and pick a spot, you cannot have more than a 3x3 space along the walls or at a table (depending on the set up). If by 1:30, the other half of your table/space is empty or if there is an empty table elsewhere in the room, you may spread out to cover a whole table. **CAN I SELL IN THE HALLWAYS?** We cannot allow people to set up and sell in the hallways. **BRINGING YOUR ITEMS IN** You must be able to bring your items in a method that you can carry- in your arms, a small milkcrate size rolling crate (ex https://images-na.ssl-images-amazon.com/images/I/61Q65srCfsL._SL1001_.jpg) or a standard size rolling suitcase. You cannot bring large displays or any set ups. This is for individuals to sell/trade items, *not* for being a dealer or taking art commissions. **MERCHANDISE RULES PERMITTED:** Personal merchandise Video games and related merchandise Cosplays and props Fashion items, clothing or accessories Used fursuits or any of their components Comic Book and Sci Fi merchandise Books, including graphic novels, manga, etc Basically the type of things you might have in a rummage or yard sale. **NOT PERMITTED:** Bootleg merchandise Crafted items or art (either by you or someone else) that are part of your normal business Raffles, lotteries, games of chance, or any other ticketed items. Solicitation for donations. The spirit of the flea market is to allow individuals to sell items they may no longer want or need. It is not intended to be a space for those who wish to act as vendors. While there is naturally some fuzziness around the edges of rules like this, Fur the More will take action within the spirit of the rules, and Fur the More staff have final say regarding whether something is allowed under the rules' intent, regardless of the letter of the rule. **TIPS:** Make sure you have change. You can use PayPal or your own method to take card payments. Fur the More is not responsible for disputes between individuals. Any arguments or disputes in the hall will result in all parties involved being removed from the room. Selling personal items between individuals typically doesn't require you to collect sales tax, however, you may be subject to regulations in your home state for income. You are responsible for ensuring compliance, we are ONLY providing a space for your to meet other people in. Cart your items to/from the flea market in a rolling suitcase or crate, so you don't have to carry everything.

Collaboration Confuzilication

 Panel 5 (Potomac 5)

Can you draw, doodle or scribble? Are you quick-witted? Play well with others? Then Collaboration Confuzilication is for you! Here's how it works: every player receives a formatted, 4-panel sheet of paper; a word will be chosen at random and each player will have twelve minutes to draw a picture in the first panel based on that word. THEN, everyone passes their paper to someone else...a new word is selected for people to draw a picture based on that word in the next panel. Sounds easy? Well, it's not – because the new picture ALSO has to continue the story started in the previous panel! The process is repeated for the third and fourth panels, until the page is filled with a masterpiece of collective creativity (and weirdness!). We'll supply that four-panel sheet of paper, but please bring your own pens, pencils, and erasers. Participation is limited to the first 32 people to arrive, but everyone is welcome to stay and observe - and there'll be prizes for the people who created the finished piece the group judges as the best.
