Our ongoing charities are The United States War Dogs Association and True Colors. The United States War Dogs Association is a nonprofit organization of Former and Current US Military Dog Handlers and supporting members committed to promoting the long history of the Military Service Dogs, establishing permanent War Dog Memorials, and educating the public about the invaluable service of these canines to our country. True Colors CT is a non-profit organization that works with other social service agencies, schools, organizations, and within communities to ensure that the needs of sexual and gender minority youth are both recognized and competently met. What are the raffle ticket prices? Raffle tickets are \$1 each and there is no limit to how many you can buy or enter per item. Go crazy, support our charities, and maybe win some cool stuff! (Raffle ticket price may change, likely on Sunday. Please check with a charity staff member for any updates. How do I bid on an auction item? Each auction item has a bidding sheet where you can fill out your badge number and bid. If an item reaches the maximum number of bids it will be placed into the voice auction. When is the raffle draw / when is the voice auction? The raffle draw and voice auction are 2-5pm on Sunday. Bidding ends at noon on Sunday! Raffle entries end at 1pm on Sunday! How do I pick up any items I won? For items in the raffle draw and voice auction, you may pick up your item at the event itself. For silent items, you may stop by Charity during the voice auction ng to check if you won any items. After charity closes, items will be at convention operations. Winners may also be notified (to the best of our ability) if items aren't picked up in a timely fashion. How do I donate cash or items? Items can be brought to Charity at any time! Dance Comp: Preliminaries (closed to public viewing)

 Grand Ballroom E-H: Main Events (100 Berlin Rd, Cromwell, CT 06416, USA)

Tryouts for the Dance Competition. Bring your music and prepare to dance your tail off! On site sign-ups: Will occur within the first 15 minutes of the preliminaries. There will be no late entries. It is highly advised to sign up in advance. Note: Even if you sign up online you must be at the prelims from on Friday. PRELIMINARIES Prelims will be held in the Main Ballroom on Friday October 25th at 1pm. Everyone that wishes to compete must attend the prelims. We advise showing up 15 minutes early so we can start on time. Please bring your music on a flash drive or CD so we can rip the song onto the laptop the music will be played from. Even if you emailed your song ahead of time, bring a hard copy just in case. The prelims will be closed to the public, we ask that you don't even bring a handler unless you believe it necessary. Most folks will be headless when not trying out. We will have water and staff to help you if you need it. We will have 18 final slots for the dance completion. If 18 or fewer acts try out we will not be making cuts and will instead use the time to allow each competitor to dance on the stage and get feedback from the prelim judges. If more than 18 acts try out we will be having cuts. In that case you will have to perform at least 1:30 of your routine for our prelim judges. These judges will be completely different than our finals judges, so you don't have to worry about spoiling anything. The prelim judges will then use the same scoring style as the finals judges to rank those trying out. The top 18 will then make it into the competition. ENTRIES AND SONG CHOICES Group entries will be allowed in. In the case of 3 or more group entries making it into the competition, there will be a separate category for groups. Groups will be given an extra 30 sec for their song length for every extra person, up to 4 minutes. Example: A three person group could dance for up to 3 minutes (2min+30sec+30sec) For all solo entries your song can not exceed 2 minutes in length. If you do not cut your song at 2 minutes the DJ will fade it out. Your song must be appropriate for a PG-13 audience. Please no swears, inappropriate language or themes, slurs or excessive sexual undertones. There will be people in the audience of all ages, please keep that in mind. QUALIFYING FURSUIITS A qualifying fursuit consists of a fursuit head, hand paws, feet paws and a tail (species pending). You are also of course welcome to wear your full suit is you have a full suit, plantigrade or digigrade. Quadsuits of course will also be welcome. FINALS If you have gotten through to the finals, you must meet in the Headless Lounge at 4:30pm, NO LATER. Please feel free to show up earlier than that as you can always de-head and get some water. The show begins at 5pm, meaning the first act goes out moments after 5pm so everyone needs to be there. The order will be announced at 4:40pm when you arrive and we'll have it on a sheet out back so you can remind yourself. All finalists will perform their piece, receive verbal judging, and then at the end, all finalists will be welcomed back out on stage for a fun freestyle dance with everyone else to entertain the crowd while judges tally votes. SCORING Judges will take into consideration every dancers musicality, originality, technicality, crowd appeal and overall performance. They will then place competitors in slots 1-18 as the competition moves on until they have a full placement from 1st to 18th at the end. The places everyone gets from each judge will then be added up and the folks with the 3 lowest scores will get 1st, 2nd and 3rd (think golf scoring system.) Example: Bob's performance scores a 5th, 7th, and 4th place slot from the 3 judges. Totaled together that's 16 points. If Sally received 2nd, 5th, and 3rd place slots she'd get 10 points and thus would beat out Bob. WE WISH YOU ALL THE BEST OF LUCK
